TICKING		
0509165	110	4.69

**THOMPSON/CENTER
PILLOW TICKING PATCHES**

An extremely tight weave 100% cotton fabric. The U.S. Government created a set of specifications which had to be adhered to by vendors who manufactured this material for the military (these patches match those mil specs). The tight weave 100% cotton fabric is rugged, resists tearing and prevents burn-through. All patches are biodegradable, and nontoxic. Uniform thickness of .015 assures consistent velocities from shot to shot. 100 patches per bag.

HARVESTER™ MUZZLELOADING BULLET STARTER & PALM SAVER - BULK PACK

•Two-in-one tool starts the bullet and protects the palm when used with the ramrod •Made from a tough, durable polycarbonate •Sized to accommodate a .45 to .58 caliber •Bulk

Order #	Mfg. #	Ct.	Sugg.Ret.
0519087	H-100/BULK	50	\$163.17

POWERBELT® BULLET STARTER

•Maximizes accuracy with any hollow or polymer point bullet •Deformation of bullet tip during loading destroys the aerodynamic integrity of the bullet •This is solved with loading tips that engage the bullet at either the base of the hollow point cavity or around the polymer point, not the nose of the bullet •Tight fitting projectiles are loaded without damage to bullet insuring that the perfect bullet started down barrel stays that way until it hits the target •Includes 2 sets of 3 loading tips to fit almost all hollow point bullet designs & 1 set of 3 tips for polymer point bullets •1 tip goes on the short rod of the starter, 1 on the long rod & 1 on the ramrod

Order #	Mfg. #	Sugg.Ret.
0518678	AC1500	\$17.15

THOMPSON/CENTER POWER BALL STARTER w/LOADING TIP

•Ball starter w/Power Rod handle built-in •Can be screwed onto the end of many ramrods to turn them into a Power Rod •Increases length of ramrod

Order #	Mfg. #	Sugg.Ret.
0519199	7443	\$29.83

THOMPSON/CENTER COMPACT HUNTER'S SHORT STARTER

•Small, light •Solid aluminum shaft w/concave loading tip, attached to a rugged polymer palm saving knob

Order #	Mfg. #	Sugg.Ret.
0599244	7144	\$13.02

THOMPSON/CENTER UNIVERSAL T-HANDLE LOADING KIT

•Lightweight composite short starter and two universal loading tip/jags •Each tip is contoured to fit spire point, hollow point conical, and round nose projectiles •Prevents deforming the bullet during loading •Can also be used as a jag •Short starter can be screwed onto the end of a ramrod, turning it into a range rod

Order #	Mfg. #	Sugg.Ret.
0518886	9058	\$11.60

THOMPSON/CENTER SHORT STARTER & RAMROD EXTENSION

•Composite, lightweight, compact •Palm saver built into one of the ends •Removable seating end which allows ramrod to be converted into work rod

Order #	Mfg. #	Sugg.Ret.
