

Thank You!

Thank You! We sincerely appreciate your business and will do anything within reason to keep you happy. If you are unhappy with our service, products or whatever, call (931) 553-8651 and ask for the manager or write us a letter giving your name, address, phone number and the nature of your complaint. We really try to give service along with fair prices. We are in our 40th great year of serving shooters and the Shooting Industry.

Pricing & Typographical Errors

PRICES & TYPOGRAPHICAL ERRORS: Prices in this catalog are EFFECTIVE January 1st, 2010 and are SUBJECT TO CHANGE WITHOUT NOTICE. We are human, and due to the sheer volume of items that we carry, errors do occur. We cannot be held responsible for typographical errors or price misprints contained in this catalog. We apologize in advance. Please ask for or check our website for current prices.

COMPONENT & AMMUNITION UPDATES: While prices do seem to have stabilized somewhat, availability seems to be the issue this year. As the new administration settles in, demand for shooting related products has more than doubled. Manufacturers are trying their best to supply what is being ordered, but it seems they are having a hard time catching up. The prices shown in this catalog are current as of February 2010. We apologize for any increases or price discrepancies in advance.

Honest Shipping & Fast Service!

SHIPPING OUT ORDERS: 99% of all in-stock orders are shipped usually within 24 business hours of receipt.

MIDSOUTH'S HONEST SHIPPING: We charge only what it costs to get a package from Clarksville, Tennessee to your door step. We do not use shipping as a profit center. We obviously want to keep your shipping charges as low as possible to keep you happy with our service.

Tennessee Residents

SALES TAX: Tennessee Sales Tax of 9.5% is added to orders from Tennessee only, unless you have a tax certificate on file with us. Sales tax is not added to out of state orders. If you are an FFL holder and want to pick up an order (from any state), we must have a copy of your FFL, and state tax number on file. If you don't have this information on file with us, either send one or bring one with you. Call us for more information.

TWRA TAX: TN residents and Pick-Up Customers pay a .10 TWRA Tax per box of ammunition purchased.

Order Toll Free - 1-800-272-3000

Our telephone hours are 8:00 A.M. to 6:00 P.M. (Central Time), Mon - Fri. If you have trouble reaching us call our local number, 931-553-8651. Or shop On-Line 24 hours a day at www.midsouthshooters.com

Ordering Information

***All phone conversations may be monitored and or recorded to continually improve our service to you!**

TOLL FREE PHONES: Call 1-800-272-3000 to place an order. Our telephone hours are 8:00 A.M. to 6:00 P.M. (Central Time), Monday thru Friday. If you have trouble reaching us please call our local number, 931-553-8651. Our salespeople are prepared to take your orders by order (part) number and description only. For any assistance on orders, technical information or questions about past shipments, please call our business office at 1-931-553-8651. Please have order numbers ready to give to our operators before you call, this will save time and money!

MINIMUM ORDERS: The minimum amount we can process an order for is \$40.00. Any order less than \$40.00 will be assessed a \$5.00 service charge - no exceptions. Due to our low prices, we cannot process an order for less.

FFL DEALER QUALIFICATIONS: Current valid FFL with original signature, copy of sales tax certificate or business lic. and business address and hours. The FFL must be for engaging in the business of dealing firearms. (ie. FFL discount does not include Curio and Collectors) To maintain this discount, total of purchases must be a minimum of \$1,000.00 per year. FFL Can be faxed to 931-503-8037.

NON-FFL DEALERS: Information must be on letterhead, picture of store front with store name, list of store hours, complete address and phone/fax numbers, copy of business license, 3 business references, and a copy of your sales tax certificate. For further information on dealer sales call 931-553-8651 and ask for dealer accounts. (all other criteria for purchase of hazardous materials apply.) To maintain this discount, purchases must be a minimum of \$1,000.00 per year.

SPECIAL ORDERS: All special orders must be for an item that is over \$100.00. Special orders can take 4-6 weeks if available from the manufacturer. Once a special order is ordered it is done. No returns! No cancellations! No exchanges! Any problems with the item after delivery must be directed to the manufacturer.

CANADA & OVERSEAS ORDERS: LOOK AT OUR WEBSITE UNDER INTERNATIONAL ORDERS FOR MORE DETAILS. We will gladly accept orders from any country in the free world. The following items are regulated: bullets, brass and firearm components. Regulated items will be shipped by parcel post only. For all other goods we do offer Fed-Ex, or parcel post. We can not ship any liquids or sprays out of the U.S. **Fed-Ex shipping customers!** In order to expedite your package Fed-Ex may not charge you Tax, Customs and Duty fees at the time of delivery. You will see an additional charge to your credit card when we receive notification that duties and taxes were not paid on your shipment. (Fed-Ex sends customs documentation to us when these are not paid.) **WE MUST HAVE A SIGNED ORDER FORM (FAXED OR MAILED) IF YOU ARE USING A CREDIT CARD!**

Shipping Information

MIDSOUTH'S HONEST SHIPPING: We charge only what it costs to get a package from us to you. We do not use shipping as a profit center. We obviously want to keep your shipping charges as low as possible to keep you happy with our service.

HAZARDOUS MATERIALS CHARGE: Hazardous Material Transportation Charge will be \$25.00 per package (\$35.00 if Air service). If you order 5,000 primers or 20,000 primers, there is a \$25.00 charge. This charge is not per order, but per box leaving our shipping dock with a Hazardous Materials Label. Each case of powder is a \$25.00 charge. Powder and primers may be shipped together in any ground shipment for one hazardous charge provided the total weight of the order (including packaging) remains below 60lbs. We will always try to ship your boxes as economically as possible. **MSDS:** Sheets available for hazardous materials upon request.

COD FEES, SERVICE FEES & FREIGHT CHARGES: The UPS COD fee is now \$10.00 per box. Remember, this is not per order, but per box leaving our dock. If we must use 2 boxes, there will be 2 COD fees applied. If you place an order that requires several boxes for COD shipment, there will be a COD fee on each box. Freight is added to all boxes in addition to the COD fee. Freight Charges are based directly on carrier freight charts for your zone of shipment. See Payment and Refunds for COD Payment Requirements.

OVERSIZED BOXES: We try to ship all orders in as few packages as carriers will allow, but many of the large rifle and shotgun plastic carrying cases we sell are oversized for shipment. They cannot be mailed through the Post Office. Some of the cases weigh only 7 to 8 pounds but the 30 or 70 pound charge appears on your invoice. **HOW TO EFFICIENTLY USE THIS:** If you order other items we can safely put them inside the case and get up to 30 pounds or more, we then simply invoice the weight charge for the box. The extra parts must fit into the case (bullets, ammo, holsters, die sets and other small items work good for this).

Returns

RETURNS: Returns of non-defective, unused products must be in 30 days or authorized by MidSouth. No returns on powder, primers, percussion caps, ammo, software or liquids. There will be a up to a 20% restocking charge on all returned merchandise, except where we have shipped the wrong item. Sorry, no credit on returns until our return department or the factory determines the product is defective or packaging is not damaged for resale. All returns must have a return authorization. This is important! Software problems must deal directly with the factory. No returns on Special Orders. Returns on products manufactured by Savage, Nikon, Leupold, Burris, Streamlight, Barnett, Traditions & RWS must deal directly with the factory as well. Refunds on products over 30 days past purchase date will be issued in MidSouth Gift Certificate Only! Phone calls may be monitored for quality assurance.

Payment & Refunds

Sorry! We do not accept personal or business checks and we do not offer open accounts!

CREDIT CARDS: WE ACCEPT VISA, MASTERCARD & DISCOVER ON THE PHONE, WEB, FAX & MAIL ORDERS. We must have your home mailing address for credit card verification. Just give us your name, address, phone number (home and/or work), card number and card expiration date. All cards are cleared through a Master Clearing Center.

MONEY ORDERS / CASHIER CHECKS: We do accept Money Orders and Cashiers Checks in US Funds only.

COD ORDERS & FREIGHT: All COD orders are shipped cashier check or money order only - through UPS Ground Service only (Sorry, no 2nd or Next Day service unless to Hawaii or Alaska). If this is not acceptable, please do not order COD.

REFUNDS: Credit / Debit Cards: Depending on your credit card agreement, refunds can take from 24 to 48 hours to show up on your account. **Money Orders and Cashiers Checks:** If any refund is due from prepaid orders it will be mailed to you. Please allow 10 (ten) days after shipping date to receive refund.

RETURNS AFTER 30 DAYS: Refunds on products over 30 days past purchase date will be issued in MidSouth Gift Certificate Only!

Restrictions

By ordering from MidSouth YOU assume all responsibility for your local laws and compliance of them!

RESTRICTIONS AND LOCAL LAWS: MidSouth Shooters Supply cannot possibly know all of the individual state, city and local laws and restrictions for all the products that we sell. Many states and cities prohibit particular products and YOU must be in compliance of the local laws concerning these products. If you place an order with MidSouth for products that may be restricted, you warrant us that you are authorized and in compliance with your local laws. **CHECK YOUR LOCAL LAWS BEFORE YOU PLACE AN ORDER.**

FFL'S & RESTRICTED ORDERS: If you have an FFL send us a copy for our files. We must ship these to the exact address on your FFL - no changes. Only authorized persons may place orders on FFL's. Due to new laws and restrictions in individual states, some restrictions may apply to specific items to states.

PRIMERS, POWDER & AMMUNITION: Proof of age is required in order to purchase Primers, Powder and Ammunition. You must be 18 to purchase these items (21 to purchase Handgun Ammunition)

The Bushnell Yardage Pros have changed the way people measure distance. In all hunting sports, the measurement of distance quickly and accurately can improve performance. Using advanced laser technology, the Bushnell Yardage Pro measures distances instantly and accurate within 1 yard. It's as simple as aiming and pressing a button. The Bushnell Yardage Pro is water and shock resistant, lightweight, compact and rubber armored for durability even under the hardest conditions. All Yardage Pro models come with a one-year limited warranty.

Bushnell Rangefinders

Leica Rangefinders

Leica Geovid 8 x 42 BRF- The 8 x magnification delivers a 125m field-of-view at 1,000 m (125 yds at 1,000 yds). This wide field-of-view combines with precise distance measurement to make the 8 x 42 a perfect all-around instrument.

Order No. 068-040028 \$2,345.00

Leica Geovid 10 x 42 BRF- With the higher magnification of this LEICA GEOVID BRF model, you get the added advantage of a high twilight factor. So poor light conditions do not degrade this instrument's ability to provide detail-accurate distance measurement.

Order No. 068-040029 \$2,395.00

Order No.
Leica Geovid 8 x 56 BRF - 068-040032 \$2,845.00

Burris Eliminator Laserscope - No more guessing yardage or fumbling with a shaky handheld rangefinder. No more losing sight of your trophy. No more guessing holdover.

The Eliminator knows the precise horizontal distance to your trophy and exactly what your cartridge will do. Eliminator lights a 1/3 MOA illuminated aiming dot showing exactly where your shot will go. With The Eliminator, just Range, Aim, and Fire.

Simply enter one of the 40 drop numbers into the Eliminator. In a split second, the Eliminator factors in the distance, the angle of the shot, and the ballistics of your cartridge, and presents a lighted dot for the perfect holdover.

Order No. 023-200112 \$849.00

- True 1X sight

Order No. 029-849250 \$214.65

Burris Red Dots and Electric Sights

Burris Fast Fire - This tiny but tough, non-magnifying, reflex type red dot sight is a perfect fast target acquisition sight for turkey shotguns, deer slug guns, tactical and close range hunting carbines, muzzleloaders, paintball guns, home defense shotguns and even upland and waterfowl shotguns.

Weighs just 2 ounces, All-metal housing construction and advanced circuitry, FastFire can off recoil forces up to 1000 G's. MultiCoated Lenses. Built-in Battery Saver mode allows the battery to last up to 5 years yet always be instantly ready for deployment by simply removing the cover. Power is provided by a supplied standard lithium Type CR 2032 3-volt battery.

Each FastFire sight is supplied with a mount for attachment to any Weaver-style or Picatinny-style base. In addition, ten affordable handgun mounts are available to fit a variety of popular handguns. The FastFire is covered by a Limited One Year Warranty.

Fast Fire Mounting Plates - Installation on most rifles, carbines, and some handguns require the included Picatinny / Weaver Mounting Plate. Most other handguns require a different Mounting Plate.

Laserlyte Laser Sights and Accessories

WhyteLyte Sub-Compact Flashlight -

- Smallest weapon light available
- Fits all sub-compact pistols with rails
- Powerful enough to light up a room
- Small enough to fit in a nylon holster
- Over 1 hour run time

Order No.116-WL1 \$67.16

LASERLYTE

L-Rail Mount - LaserLyte introduces the latest Picatinny accessory for your firearm. The dual L-shaped rail system (in standard and sub-compact) allows countless accessory mounting options. If you have a laser and a flashlight there is no need to go and buy an expensive combo laser/light unit. The new L-Rail system makes the perfect combination of a laser and light in a modular package.

LASERLYTE

Laser Scope Leveler-

Order No.
116-SLA0001140 \$8.36

Sub-Compact Laser Rail Mount -

LaserLyte is proud to introduce the smallest and most versatile railed laser yet. Weighing in at less than an ounce and shorter than an inch. This small unit is packed with the latest features and options. The unit can mount directly on all the 3" barrel subcompact railed pistols and all other railed weapons. The laser features and integrated cross lock bar, hinge clamp system and a quick detachable release. One of the most innovative features is the accessory rail that is removable. The small picatinny rail attaches to the bottom of the laser and allows the mounting of flashlights or other accessories. Take the small rail off and now you have a very low profile laser that will fit into any nylon holster. This laser is truly on the cutting edge of design, function and features.

Order No. 116-FSR00V2140 \$97.15

New! XTS-2575 Spotting Scope - A new, high performance Cassegrain-style mirror system design allows us to offer this high-magnification, high-resolution 25X-75X-70mm spotting scope in an extremely lightweight, compact configuration. The XTS 2575 weighs in at a mere 33 ounces and measures only 10" long, 5" tall and 3.6" wide.

Features an adjustable angled eyepiece making it ideal for viewing in a sitting or prone position. Every lens surface is broad band multicoated for reflection-free, ultra bright viewing and the XTS 2575 is waterproof, fogproof and highly shock resistant. **Order No. 023-300101 \$221.82**

New High Country Spotting Scopes - Burris has always believed a sportsman shouldn't have to spend a week's pay for reliable spotting optics. New High Country Spotting Scopes reflect that vision. In the practical 15X-45X-50mm and the potent 20X-60X-60mm models, both new High Country's have handsome and stealthy rubberized, waterproof exteriors and sharp, fully multi-coated lenses. An integrated lens cap on the slide-out sun shade keeps away dust and is near-impossible to lose.

	Order No.	Price
High Country 15-45x50mm with Tripod	023-300111	\$110.39
High Country 20-60x60mm with Tripod	023-300112	144.03

Micro-Adjust Tripod - Just point your spotting scope "in the ball park" and then micro-adjust the windage and elevation knobs to zero in on your image. Window mount detaches from the tripod to quickly mount on a window. Ideal for bench rests and truck hoods. Folded length - 17" Working Height - 8.5" - 18" **Order No. 023-300141 \$44.00**

Burris Six X™ Rifle Scopes -

Burris engineers merged leading edge optics technology with practical, real-world features to create a masterpiece of riflescope performance and value – our new SixX Series variables. They are bright, razor-sharp, beautiful -- and simply the best optics we have ever built.

At their core, SixX Series scopes boast some of the world's finest precision-ground lenses. These are then index-match multi-coated with HiLume™ StormCoat finish, which delivers extraordinary clarity from the day's first light until the sun drops behind the western horizon. Burris uses double spring tension to lock internal components in place within a heavy-walled 30mm tube that defines rugged. Steel-on-steel click adjustments make for positive, precise sighting.

Millett Buck Gold Varmint Target Special 4-16x56mm A/O Mil-Dot -
30mm Tube Matte Finish
Adjustable Objective MultiCoat Lenses 4 inch

**Millett 6-25x56mm Long Range Scope -**

Millett LRS has a 35mm tube for added strength, brightness and clarity. As 35mm rings are hard to find and expensive, the LRS-1 comes with Millett tactical 35mm rings for ease of mounting. The 35mm tube offers added features that fit perfectly on heavy, hard-hitting, large caliber rifles used for extended ranges, such as the 50 BMG and 338 Lupua. Each Millett LRS-1 is computer tested under recoil to assure the highest quality. **Order No. 131-BK81004 \$410.14**

New Generation Target Scope - These 30mm target and varmint scopes give the shooter the most value for the money. A distinctive new look, with large, easy-to-use turret and side focus knobs add to the style of these scopes. Millett's proprietary Gimble Pivot increases accuracy and assures intertube alignment. Fully multi-coated optics and unique coil spring ensure sharpness and accuracy.

Optics

Leupold Rifle, Pistol and Shotgun Scopes

The light transmission of a 50mm but mounts like a 36mm!

Leupold VX-3L Low Mount Scope Series - Large riflescopes are great when the light is low, but the high mount and awkward cheek weld always left something to be desired. That something is the New Leupold VX-3L Series of riflescopes. This unique shape takes low light performance to a whole new level and has the added advantage of an incredibly low mount. By creating a small crescent in the objective of the VX-3L Leupold was able to increase the objective size for greater light transmission. The VX-3L 3.5-10x50mm transmits more light than a typical 40mm riflescope, yet mounts as low as a 36mm!

Leupold Reticles

Leupold VX-II Series - The Multicoat 4 system is used on all VX-II riflescope lens surfaces, external and internal. It increases the amount of available light that reaches the eye and minimizes reflections on the outer eyepiece. As a result, the system enhances image brightness and clarity, and improves contrast in low-light conditions. 1/4 Min Clicks

Leupold Illuminated Reticles

VX-3 Scopes Feature Leupold's New XT- Xtended Twilight™ lens technology that targets and raises the light wavelengths most commonly found in near-dark and twilight conditions.

Leupold VX-3 Series - Leupold's® new family of Golden Ring® VX-3 riflescopes replaces and improves on the popular VX® III line with new lens coatings and reticle options. VX-3 riflescopes feature a new coating system, Leupold's Index Matched Lens System™. In some VX-3 scopes, total light transmission can reach as high as 98%. Each model features new finger-adjustable, 1/4-MOA "click" windage and elevation. Lockable, fast-focus eyepiece. All side focus models have a 30mm maintube for increased range of windage and elevation adjustments. Waterproof - each scope is filled with nitrogen and sealed with Leupold's proven process to keep out moisture. Side focus parallax resolution dial on all models of 4.5-14 power and higher (except the EFR model) for easy adjustment from all shooting positions.

Optics

Zeiss Conquest Riflescopes

Zeiss has introduced the Conquest Line to offer hunters top of the line optics, and glass at a mid-price range. Adjust windage and elevation with a fingers touch, and Zeiss's quick focus allows you to make split-second field adjustments. One piece construction and hard anodized surface make it as tough as the rest of the Zeiss line. Compare the price to the rest of the mid-range scopes and you will be shocked! (* Notes Closeout Items - Limited Quantities)

How to pick a base...

See the fit chart on the following pages to select the base or bases for your rifle, then find the order number in this section. Be sure you have the correct order number that works with your gun!

1pc- Listed next to the Base number means only one part is required for mounting rings.

1/2- Listed next to the Base number means two parts are required for mounting rings.

Grand Slam Steel Detachable Top Mount Bases

Look For Grand-Slam Ring Mounts listed in far right chart column.

Quick Release Rings & Bases (QR)

Remove and reattach a scope using Leupolds QR™ mount and still return to within half an inch of the original point-of-impact on the target. Machined steel construction.

Lever engages the base of the ring, pulling it down and forward on the base, locking it solidly into its "zero" position

QR Ring Heights	Covers both the 1" and 30mm Rings

Burris Signature Rings

Signature rings provide tremendous gripping power, a scratch-free and stress-free mounting method as well as scope value preservation. By putting a synthetic pivoting insert within a steel outer ring, your scope-to-ring surface area contact becomes virtually 100%.

Note! 1" Signature Rings are shipped with one set of concentric inserts. 30mm Signature Rings are shipped with one set of concentric & +/- .010 inserts.

Warne Tactical Rings & Bases

Matte Finish Only

Warne's Tactical Rings are built to meet real world needs of tactical personnel. Made to 1913 Mil-Spec Picatinny dimensions. These feature Warne's stainless steel recoil lug, Three Torx style fasteners at the top, and a unique clamping nut. This nut works with the standard 65in/lb torque wrench, but also has knurling and cross slot so other tools can be used to remove/attach in emergency situations. Return To Zero when reinstalled!

Warne Torque Wrench -

Built for Warne by California Torque Products, this new torque wrench allows you to tighten Torx style screws to Warne's recommended setting of 25in/lb. Break away design tells you when the proper torque has been reached.

Order No. 223-TW1 \$17.08
