**RUSSELL BRANDS, LLC**  
d/b/a Spalding / American Athletic, Inc.  
**STANDARD TERMS AND CONDITIONS OF SALE**

**1. Offer, Governing Provisions and Cancellation.** This writing constitutes the terms under which Russell Brands, LLC, d/b/a Spalding agrees to sell the goods and/or services described herein under the Spalding or SPALDING trade names to customers who place orders for such goods from SPALDING ("Customer"). Such terms and conditions may be set forth on the face and reverse sides hereof and in any Schedules identified herein. This writing is not an acceptance of any offer made by Customer; and SPALDING hereby objects to any additional or different terms which may be contained in any of Customer's purchase order, acknowledgement or other forms, or in any other communication heretofore or hereafter received from Customer. **THESE TERMS ACCEPTED BY CUSTOMER BY PLACING AN ORDER FOR GOODS OR SERVICES, SHALL CONSTITUTE THE ENTIRE AGREEMENT BETWEEN SPALDING AND CUSTOMER, AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF IOWA.** No agreement pursuant to this offer may be canceled or altered by Customer except upon terms and conditions acceptable to SPALDING, as evidenced by SPALDING's written consent.

**2. Prices and Shipment.** Prices and Product Design are subject to change at any time without notice. Federal and State taxes, if applicable, are not included. Invoices are payable in U.S. funds only. Prices that are acknowledged on orders are current prices. "Hold for Release" orders will be billed at prices in effect at time of shipment. All products shipped F.O.B. Jefferson, Iowa.

The prices set forth herein reflect SPALDING's normal charges where its customer accepts all of the terms and conditions contained herein, including but not limited to SPALDING's limited warranty and disclaimer of consequential damage liability. SPALDING offers to submit to Customer a different quotation providing Customer additional warranty coverage and/or for SPALDING's assumption of the disclaimed liabilities, and containing higher prices to reflect the resulting additional risk that SPALDING would assume. Customer acknowledges that it is foregoing the possibility of making claims against SPALDING for matters limited or disclaimed herein, in exchange for paying a lower purchase price.

**3. Minimum Order.** For orders under \$25.00, there will be an additional \$10.00 handling charge.

**4. Freight.** Truck shipments will be sent third party prepaid. Discounts that SPALDING has negotiated with specific carriers, in most cases, are passed on to our Customer. Collect, non-direct ship points receive no discount. To avoid interruption of service, please establish credit with SPALDING-preferred carriers prior to shipment. If a truck shipment cannot be sent third party, SPALDING may prepay and add freight to a customer's invoice. Freight is FOB factory except where freight discounts apply through a volume discount program. There will be a \$10.00 handling charge added to all orders requesting parcel post shipments, a \$2.00 handling charge on all UPS. Any modification to a freight bill after shipment, unless due to SPALDING error, will be \$25.00. Any third party billing that reverts to SPALDING for non-payment will be billed to the customer in full with an additional \$25.00 handling fee. If an order for stock merchandise is refused by a customer, unless due to an SPALDING shipping error, the customer will be charged for all freight and a restocking charge of 20% of the invoice with a minimum restocking charge of \$25.00. Return of custom or non-stock items cannot be authorized, and credit will not be given.

**5. Payment Terms.** Subject to approval of Customer's credit, net payments shall be due 30 days from invoice date. If SPALDING (at its sole discretion) determines that Customer should not be extended credit, SPALDING may demand payment in full prior to any work or delivery. Past-due invoices are subject to a service charge, calculated on the outstanding balance, at the lesser of (i) the rate of one and one-half percent (1.5%) per month or (ii) the highest rate authorized by applicable law.

SPALDING reserves the right of credit approval for all orders, and may delay or hold any shipment if, in SPALDING's reasonable judgment, Customer's ability or willingness to pay SPALDING has been impaired. SPALDING reserves the right to file a purchase money security interest in the goods purchased, to secure payment in full by Customer, if SPALDING determines that Customer's financial condition is impaired. Customer agrees to such reservation and to assist SPALDING, at SPALDING's expense, in executing and delivering appropriate documents, for recording, pursuant to applicable law.

**6. Taxes and Other Charges.** Any manufacturer's tax, occupation tax, use tax, sales tax, excise tax, value-added tax, duty, custom, inspection or testing fee, or any other tax, fee or charge of any nature whatsoever imposed by any governmental authority on or measured by the transaction between SPALDING and Customer shall be paid by Customer in addition to the prices quoted or invoiced. In the event SPALDING is required to pay any such tax, fee or charge, Customer shall reimburse SPALDING therefor.

**7. Limited Express Warranty/Liability Limitations.** SPALDING warrants its products against defects in material and workmanship. Without charge, SPALDING will, at its option, either repair or replace any products shown to our satisfaction to be defective within one (1) year from receipt by Customer, provided it is returned to the factory (after authorization), transportation prepaid. This warranty covers only products manufactured by SPALDING and does not extend to transportation, installation or replacement charges incurred by Customer; nor does it apply to products or components of another manufacturer used in conjunction with SPALDING products according to the terms hereof and standards acceptable in the SPALDING's industry.

**THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE.**

**MODIFICATION OF SPALDING PRODUCTS RENDERS THE WARRANTY VOID AND COULD CREATE A RISK OF SEVERE PERSONAL INJURY.**

**ABUSE, MISUSE, ABNORMAL USAGE, FAULTY INSTALLATION, IMPROPER MAINTENANCE OR UNAUTHORIZED REPAIRS ARE NOT COVERED UNDER WARRANTY. NO OBLIGATIONS OR LIABILITIES EXIST ON THE PART OF SPALDING FOR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE PRODUCTS.**

**8. Risk of Loss.** Title and risk of loss of goods shall pass to the Customer F.O.B. Jefferson, Iowa, upon the earlier of SPALDING's delivery to carrier or delivery into storage, regardless of whether the transport medium or storage facilities are owned and/or operated by SPALDING, and regardless of whether SPALDING charges Customer for storage.

**9. Claims.** Customer is obligated to inspect merchandise on receipt for damage and shortage. **Notations of any shortage or damage to the merchandise or packaging must be made on the delivery receipt before signing it. Claims for damage or loss in transit must be made directly against the carrier.** All claims for defective or damaged work must be made by Customer in writing fully setting forth the nature of the alleged defect or damage, within thirty (30) days after receipt thereof by Customer. Customer's failure to so notify SPALDING shall constitute irrevocable acceptance of the work and a waiver of any defect, damage or shortage. All delivery dates are approximate. SPALDING shall not be liable for any damage as a result of any delay or failure to deliver due to any act of God, act of the Buyer, embargo or other governmental act, regulation or request, fire, accident, strike, slowdown or other labor difficulties, war, riot, delay in transportation, defaults of common carriers, inability to obtain necessary labor, materials or manufacturing facilities or, without limiting the foregoing, any other delays beyond SPALDING's control. In the event of any such delay the date of delivery shall be extended for a period equal to the time lost because of the delay. Customer's exclusive remedy for other delays and for SPALDING's inability to deliver for any reason, including Customer's inability to produce goods that meet the requirements of this contract, shall be rescission of this Agreement.

**10.Returns.**\*\*Discretionary returns must be in marketable condition. We may refuse at our option, items not in original condition. This includes but is not limited to custom, obsolete, discontinued, demo, or factory-used items. For further information go to [productreturn@spalding.com](mailto:productreturn@spalding.com) or [itemreturn@americanathletic.com](mailto:itemreturn@americanathletic.com)

**10.1** Contact the returns department to obtain a return authorization. Email is the preferred method. You must supply an invoice or purchase order number and be prepared to explain the reason for the return. Additional information may be required due to the nature of the return (for example photos to verify a particular condition)

**10.2** If we choose to accept the return we will issue a return authorization number. Please use this number on all related correspondence, and mark the packages with it as instructed by the returns department. **This is very important.** Products returned to the factory without authorization shall be refused or held for 10 days and then destroyed. No credit shall be issued without prior authorization of the return.

**10.3.** Once you have obtained a return authorization, you must return it to the factory within 30 days by a track-able service. Always insure your shipment for the value of the package. **Do not return items using USPS.** If the item is lost or damaged in transit, the dealer will be responsible for filing a freight claim. Return authorizations shall be closed after 30 days. The cost to reopen a closed RMA is \$30.00

**10.4** All returns (unless due to an error or warranty by SPALDING) shall be subject to restocking fee, the greater of 20 % or \$30. This will pay for the cost of inspection and repackaging. Materials which are damaged or used will require additional rework costs.

**10.5** Credit shall not be issued until an inspection has been completed by the returns department. The invoice cost of the item less restocking, rework (if required), and return shipping, will be issued against your account by credit memorandum. Taking an account credit prior to receiving a credit memo (short-payment), may delay shipment of other orders.

**10.6** Customer refused shipments (unless as a result of a SPALDING error) shall be returned to stock and credited less shipping costs and restocking.

**10.7** For all warranty related returns, follow the instructions of the returns department.

**11. Limitation of Remedies.** SPALDING's liability with respect to breaches of warranty shall be limited as provided in Section 7 hereof. With respect to other breaches of this contract, SPALDING's liability shall in no event exceed the contract price.

**IN NO EVENT SHALL SPALDING BE LIABLE FOR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, WHETHER FOR BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE OR OTHER TORT, ON ANY TYPE OF STRICT LIABILITY THEORY OR ANY OTHER THEORY OF LIABILITY.**

Without limiting the generality of the foregoing, SPALDING specifically disclaims any liability for penalties (including administrative penalties), special or punitive damages, damages for lost profits or revenues, loss of use of products or any associated equipment, cost of capital, facilities, services, labor or salaries, downtime, shutdown or slowdown costs, spoilage of materials, or for any other type of economic loss. All the limitations and disclaimers contained in this paragraph and in the remainder of this contract shall apply to claims of Customer's clients or any third party asserted by Customer against SPALDING for indemnity or contribution, as well as direct claims of Customer against SPALDING.

Customer shall indemnify SPALDING against any and all losses, liabilities, damages and expenses (including, without limitation, attorneys fees and other costs of defending any action) which SPALDING may incur as a result of any claim by Customer or others arising out of or in connection with the products and/or services sold hereunder and based on (a) any modification of the products; (b) product or service defects not proved to have been caused solely by SPALDING's negligence; or (c) in the event of resale, by virtue of Customer's failure to properly disclaim all implied warranties and consequential damages to subsequent purchasers.

**12. Right to Assurance.** Whenever SPALDING in good faith has reason to question Customer's ability or intent to perform, SPALDING may demand in writing adequate assurance from Customer of Customer's ability or intent to perform, and may suspend performance hereunder pending such assurance. In the event that such a demand is made and such assurance is not given within a reasonable time, SPALDING may treat that failure as an anticipatory repudiation hereof and exercise any appropriate remedy therefor.

**13. Bankruptcy.** If Customer makes an assignment for the benefit of creditors, or admits in writing its failure or inability to pay its debts as they become due, or becomes the subject of an "order for relief" within the meaning of that phrase in the U.S. Bankruptcy Code, or applies for or consents to the appointment of a receiver for any of its property, SPALDING may terminate any agreement arising out of this offer at any time, effective immediately upon notice. Such termination shall not relieve either party from any obligations accrued hereunder up to the date of notice of termination.

**14. Waivers.** No waiver by either party of any default by the other in the performance of or compliance with any provision, condition or requirement herein shall be deemed to be a waiver of, or in any manner release such other party from compliance with any such provision, condition or requirement in the future; nor shall any delay or omission of either party to exercise any right hereunder or otherwise in law in any manner impair the exercise of any such right thereafter.

**15. Assignment.** Neither party shall assign any of its rights hereunder without the prior written consent of the other party; but SPALDING may subcontract some or all of its obligations hereunder without the consent of Customer. Subject to any required consent, the terms hereof shall inure to the benefit of and shall bind the successors and assigns of the parties hereto.

**16. Compliance With Laws.** SPALDING certifies that these goods were produced in compliance with all applicable requirements of the Fair Labor Standards Act, as amended, and of the Consumer Product Safety Improvement Act, as amended.

**17. Severability.** If any provisions of these terms and conditions of sale shall be deemed illegal or unenforceable, such illegality or unenforceability shall not affect the validity and enforceability of any legal and enforceable provision hereof, which shall be construed as if such illegal and unenforceable provision(s) had not been inserted herein.

**NOTICE**  
**SPALDING DOES NOT RECOMMEND THE  
MODIFICATION WILL VOID SPALDING'S  
PERSONAL INJURY THAT WILL NOT BE THE  
RESPONSIBILITY OF SPALDING.**
