Catalog Key

New Do it Best Corp. Product Classification

This catalog is organized by the Do it Best Corp. product classification. This classification organizes all items by product category to ensure that all similar items are grouped together. There are 26 Departments. Each Department contains products grouped by Category, Sub Category, and Product Group. The product classification, including department, category and sub category, is shown in the front of each catalog. A "Product Group Index" is located in the back of each catalog. These catalogs will often include items that were formerly in several different department catalogs.

Please refer to the Express Catalog located at www.mydoitbest.com for current product information.

Catalog Department Numbers:

1 – Automotive	14 – Housewares
2 – Building Materials	15 – Lawn & Garden
3 – Cleaning Supplies	16 – Office Supplies
4 – Clothing & Apparel	17 – Outdoor Living

Range Kleen 5181	RANGE KLEEN 8" CANNING RANGE ELEMENT KIT.
	Canning element with drip pan is specially designed for home canning. This taller element can hold a heavy, full stock pot up off the stove. This allows the air to properly circulate, giving better temperature control and preventing discoloration and damage to the range top. The deeper drip pan allows for spills and overflow. Fits most plug-in electric ranges including Amana, Crosley, Frigidaire, Maytag, Whirlpool. Will not fit GE or Hotpoint ranges. 8" canning element with 8" drip pan.

Zenith Prod. 7703	WHITE LUXURY SPA FABRIC LINER AND SHOWER CURTAIN.								
	This curtain is made of luxurious waffle weave, waterproof fabric, so it can be used as a stand alone curtain without the need for a liner. It is machine washable and will resist mildew. Metal grommets make it easy-to-hang and protect the fabric, and the weighted hem keeps the curtain in place. 70" W. x 72" L.

Jarden Home Brands 2448		21 QUART STAINLESS STEEL BOILING WATER CANNER.							
		Beautiful Collection Elite series stainless steel waterbath. Canner offers superior performance, enduring quality and year round versatility. 18/10 stainless steel for superior strength and durability to last through generations of canning. Will not react with high acid foods. Triple layer base comprised of thick aluminum layered between 2 layers of stainless steel, equals even heat distribution. Generous 21 quart capacity accommodates 7 quart jars. Silicone covered handles stay cool to touch and are riveted for safe handling. Oven safe to 350 deg.. Tempered glass lid for easy viewing and vented to allow steam to escape. Includes sturdy, chrome-plated rack to resist corrosion and designed to hold all jar sizes, even the smallest. This versatile pot can also be used year round for soups, stews, chili, and seafood.

Jarden Home Brands 2448		BALL REALFRUIT FRUIT PECTIN.							
		This new bulk bottle package is for multiple use occasions. It replaces 3 to 4 boxes of pectin, and is a great value for consumers. We have also reformulated Classic and Low or No-Sugar needed Pectin for improved flavor and performance. The consumer can be assured of a good set each time, as our formulas provide more flexibility for sugar while maintaining a good gel. Recipe and batch size focus on the produce consumer has on hand. Scalable recipe - makes from 1 to 10 jars of jam per batch. Easy recipe converter - 6 tablespoons equal 1 box of competitor pectin. Size: 2.7" L. x 2.7" W. x 3.4" H.

Wabash Valley Farms 6320		WHIRLEY-POP STOVETOP POPCORN POPPER.							
		Fast and easy - makes twice as much as a standard bag of microwave. It makes 6 quart in less than 3 minutes. Popcorn that has Melt-in-your-mouth-flavor - The Whirley Pop stovetop popcorn popper features 4 steam vents which allow steam to escape during popping so your popcorn is always tender and crispy. Every kernel pops - patented stirring mechanism designed like a commercial popper prevents sticking and burning by stirring every kernel until it pops - up to 42 times its original size. Safe-to-use - hardwood handle stays cool and keep your hands away from steam and heat. Easy clean-up - removable lid with quick release clips for easy cleaning. Just wipe with a paper towel and store for later use. A 50 page book with detailed instructions, recipes, and fun popcorn facts and history. 25 year warranty.

National Presto 5498		ALUMINUM PRESSURE CANNER.							
		Pressure canning is the only method recommended safe by the USDA for low-acid foods such as vegetables, meats, and fish. The easy-to-read gauge automatically registers a complete range of processing temperatures. Air vent/cover lock allows pressure to build up only when the cover is closed properly and prevents the cover from opening until pressure is safely reduced. Pressure canners also double as water bath canners for preserving fruits, jams, jellies, pickles, and salsas. Canners are constructed of extra-strong, warp-resistant aluminum and are suitable for use on regular and smooth-top ranges. Includes: Cooking/canning rack and complete instruction and recipe book. 23 quart liquid capacity. (21.8 liters). Holds 24 half-pint, 20 pint, or 7 quart Mason jars.

Johnson S C Inc 4626		ZIPLOC TWIST 'N LOC FOOD STORAGE CONTAINER WITH LEAK-RESISTANT SEAL.							
		Storing soups and stews just got easier. Twist 'n Loc container lids twist on like a jar lid and have a leak-resistant seal - so you never need worry about messy spills again. Perfect for soups and stews, flour and coffee. Wide rim, finger grips, and a ridged lid make handling easy. Safe for microwave - unscrew lid before microwaving, freezing, and automatic dishwashing - place in top rack. Measurement lines on containers for exact portion size. Wash before using. Container may become hot during microwaving. Handle with care. Allow container to cool before screwing the lid onto the container. Do not use in conventional oven, under browning elements, or on stovetop. Pack contains round containers with lids.

OXO International 7912		POP FOOD STORAGE CONTAINER.							
		The OXO Good Grips pop containers are airtight, stackable, and space-efficient, making it easy to keep your dry foods fresh and your kitchen organized. The containers have a unique push-button mechanism that creates an airtight seal with just 1 touch. The button also serves as a handle to lift off the lid. the containers are designed for modular stacking so that you can efficiently organize your countertop and pantry. Square and rectangular shaped containers make the most of any storage space, while their corners allow for easy pouring. Also great for use in the garage, sewing room, play room, and more. Lids come apart for thorough cleaning. BPA free.

Ready America 2954		QUAKEHOLD FLAT SCREEN TV FURNITURE SAFETY STRAP.							
		Developed to prevent modern LED, LCD, and Plasma flat screen TVs from toppling over. Use with the TVs existing rear bolt holes. Features 2 strong coated nylon straps with locking buckles. Each strap must be screwed into the mounting plate on the back of the TV. Lock straps into buckles, remove the plastic strips from the base of the buckles, and press buckles onto the tabletop in the desired location. Straps are hidden from view. No holes have to be drilled, and no damage to furniture or equipment.

Meco/Samsonite 5214		SUDDENCOMFORT FABRIC SEAT FOLDING CHAIR.							
		This chair comes with 1-1/2" padded seat and padded back. Saddle caps on top of the rear legs are cupped to receive the front legs, ensuring lateral rigidity and downward support. The exclusive Y-frame design with patented hinge places the legs at a wide, stable angle and makes the chair practically indestructible with normal use. A unique spacer keeps the folding seat from rubbing and wearing through the leg finish. Triple welded brace strengthens and stabilizes the rear legs. Exclusive DuraFuse, environmentally safe, polymer finish resists scratches, nicks, and abrasions. Heavy-duty 7/8" tubular steel is extremely strong but light in weight. Polyethylene foot caps slide easily but will not mar the floor. Extra-wide 16" x 16" seats and oversize backrests make this chair more comfortable for all users.

Candle-Lite 2353		22 OZ. 3-LAYER JAR CANDLE.							
		Jars have become a favorite of candle enthusiasts due to their simplicity of use. Because they are self-contained, there is no messy wax to clean out or wax runoff. They come in a variety of delightful fragrances. Size: 22 oz. Color will coordinate with scent. Example: Blueberry is blue. Jar dimensions: 4.12" D. x 5.75" H. Burn time 30 to 35 hours.

Valley Forge 1303		VALLEY FORGE 3' X 5' COTTON U.S.A. FLAG.							
		The Valley Forge cotton U.S.A. Naturally patriotic, introducing a green-oriented approach to patriotism. The USB3 U.S. flag is made-up of 100% natural cotton fibers, which is a sustainable, renewable natural resource. The product itself is packaged with a paper insert which is comprised of post-consumer recycled paper and a clamshell that is 100% recyclable and manufactured from recycled soda bottles. The flag construction is sewn stripes, and emproidered stars with brass grommets.

Valley Forge 1303		THE FREEDOM FLAG LIGHT.							
		Energy saving residential flag pole light with gooseneck design provides the proper illumination to fly the U.S. Flag at night. Recommended to mount to poles 1" to 1-1/4" in diameter, will mount to poles up to 3" with zip ties. 40 lumens per square meter with 2 LED lights illuminates up to 12 hours. The United States flag code states "It is the universal custom to display the flag only from sunrise to sunset on buildings with stationary flagstaffs in the open. However, when a patriotic effect is desired, the flag may be displayed 24 hours a day if properly illuminated during the hours of darkness". Die-cast aluminum and stainless steel construction.

Homedics Inc. 1059		HARMONY TABLETOP OIL LAMP FIREPLACE.							
		Decorative flame sculptures - perfect for coffee table, dining table, bedroom, or patio. Any place the beauty of fire will be enjoyed. Delivers controlled, safe, and dazzling live fire encased in beautiful aesthetic design. Safe for indoor or outdoor use. Patent pending technology combines a highly specialized oil and wick combination to achieve an unparalleled level of performance. Nontoxic, nonpetroleum organic coconut-based oil. Smokeless, releasing no harmful chemicals or soot into the air. Perfectly balanced and consistent flame height through accelerant control. Proprietary 4-part wick design. Both oil and wick work in perfect harmony to create a controlled, beautiful, and long-lasting flame. Low profile, modern design, smooth black satin finish. 7" continuous single wick. Black river rock accents. 500 ml. oil and wick included.

Kitchenaid 3444		5-SPEED ULTRA POWER SERIES BLENDER.							
		Easy-to-use high-performance versatility with 5-speed controls. 0.9 horsepower motor. Patented stainless steel blade tines are positioned on 4 different planes for fast, thorough and consistent blending. Blade assembly is built into pitcher for easy handling and cleanup. Commercial-quality, steel-reinforced coupler with 12 interlocking teeth provides direct transfer of motor power to the blade. Advanced airflow design keeps blender cool during continued use. Heavy, die-cast metal base ensures stable, quiet operation when blending. Intelli-Speed controls and adjusts power to compensate for thicker mixtures. Automatic crush ice button. Pulses at staggered intervals at an optimal speed to increase blade contact with ice and improve curshing efficiency. 4 rubber feet on wide base provide a nonslip, nonmarring grip. 56 oz. 1-piece pitcher made of commercial-grade polycarbonate, scratch, stain, and shatter-resistant. The pitcher's built-in drain holes eliminate food traps and the need to disassemble, making cleaning easier. The handle features a soft inner grip for comfortable, nonslip control. Smooth, seamless control pad wipes clean in an instant.

Delonghi 4042		DELONGHI 14 CUP DRIP COFFEEMAKER.							
		Brew up to 14 cups of great-tasting coffee with this easy-to-use drip coffeemaker. The unit's showerhead design helps extract the coffee's full natural flavor by allowing water to completely saturate all coffee grounds, while its aroma button activates a unique brewing process that enhances the flavor and aroma of the coffee. To achieve this full-bodied flavor, the coffeemaker advances through several continuous cycles that release water into the filter basket in 30 second intervals. This special time-released process saturates grounds a little at a time to extract the best flavor and aroma from the coffee. The coffeemaker also provides a pause-and-serve function for pouring a cup midbrew, and a 24 hour programmable timer with 2 hour automatic shut Off. Features include simple push-button controls, a blue backlit display, a permanent gold-tone filter, advanced water filtration, and a convenient water-level indicator, as well as a nonstick warming plate, a freshness indicator, and cord storage to help keep countertops tidy. 8.50" W. x 9.75" D. x 12.71" H. Metal Ware 5447		SNACKMASTER FOOD DEHYDRATOR.							
		The Snackmaster food dehydrator comes with top mounted powerhead fan and clear cover to monitor drying process. Dries fruits, vegetables, and jerky quickly and evenly in hours, not days like ordinary dehydrators. Fan Flow Radial Air action forces air down the center of the unit and across each tray for fast, even drying. No need to rotate trays. Comes packed with 4 trays and can be expanded to 7 trays for increased drying capacity. Vita-Save speckled exterior trays help block harmful light which can destroy the nutritional content of food being dehydrated. All components are dishwasher safe except powerhead. Includes plastic side straps to secure dehydrator trays together for easy transport and storage. Powerful 425W.

Metal Ware 5447		SNACKMASTER EXPRESS FOOD DEHYDRATOR.							
		It's sleek, contemporary design features 500W of drying power and generates maximum speed and quality for dehydrating fruits, vegetables, beef jerky, and venison jerky. Helps dry food in hours, not days like ordinary food dehydrators. The top mounted fan eliminates the worry of liquids dripping into the heating chamber. The adjustable thermostat allows you to dry different foods at proper temperature (95 deg. - 155 deg.F), providing the flexibility to produce the best drying results. Expandable FD-60 cover with 4 trays, but is expandable to 12 trays with optional Add_A_Tray . Opaque Vita-Save exterior helps block harmful light which destroys nutritional content of food being dehydrated. Patented Converga-Flow drying system forces air down the exterior pressurized chamber (not through the trays). The hot air is forced horizontally across each individual tray, converging on the core for fast, even, and nutritious drying. No flavor mixing and no need to rotate trays. Included with the food dehydrator is 5 jerky spices/cures, 1 fruit roll sheet, and informative care and use guide complete with handy drying charts and recipes. Refer to model No. LT-2W for Add-A-Tray .

Metal Ware 5447		FRUIT ROLL SHEET.							
		Great for making fruit rolls for the kids and for other messy foods. Exclusive no spill lip allows you to dry liquids and semi liquids. Dry pureed fruit or make fruit leather with no added sugar or preservatives. It's as easy as pouring applesauce on the fruit roll sheet. Dry soups and sauces. Perfect to use (if you're making messy foods) on the bottom tray of your dehydrator (without food on it) to catch the drips and make clean-up easier. For use with all models of Nesco/American Harvest dehydrators except the model No. FD-1000/1010. Fits the model No. FD-10, FD-20, FD-25, FD-27, FD-30, FD-35, FD-40, FD-50, and FD-60.

Heartware 4258		NUWAVE PRECISION INDUCTION COOKTOP The NuWave Precision Induction Cooktop is a safer and more efficient way to cook versus a conventional stove top. You can portably boil or simmer, deep-fry and stir-fry, saute, steam and sear, slow cook, barbecue, melt and grill almost anywhere and without an open flame. Features: Faster cooking because heating is immediate. Safer because of no flame or red-hot coils. Digital controls with variable time and precise temperature controls, lightweight and portable, plugs into any electrical outlet. Easy to clean because spills won't burn and stick to the cooktop surface. Made with diamond-infused, nano-ceramic Duralon coating that is 100% free of PTFE (polytetrafluoroethylene), PFOA (Perfluorooctanoic acid), Cadmium, and BPA (Bisphenol A). Included are: the NuWave Precision Induction Cooktop, a Perfect Green 9" fry pan, a NuWave PIC complete cookbook, quick start guide, and an instructional DVD.

National Presto 5498	PRESTO PIZZAZZ PIZZA MAKER.
	The fast easy way to make your favorite pizza. Great for frozen, homemade, take-and-bake, or deli pizza. Recommended for 7" to 12" pizzas. Rotating tray continually turns the pizza to assure even baking - top and bottom. Make pizza the way you like it. Top and bottom heating elements can be selected independently for pizza baked-to-order. Make toppings as bubbly and crusts as crispy as you like. With no preheating necessary, the Pizzazz pizza oven takes frozen pizza from freezer to perfect in minutes. Pizzazz pizza oven doesn't heat up the kitchen and can save as much as 60% in energy compared to conventional ovens. Removable nonstick baking pan provides easy clean up and compact storage. 1 year limited warranty. 1235W/120V AC.

Focus Electrics LLC 7434		WEST BEND KETTLE KRAZY POPCORN POPPER.							
		Traditional popcorn popper and nut roaster all-in-one. 2 settings to satisfy your appetite. Precision even heating, temperature controlled heating plate pops up to 6 quarts of popcorn or 1 cup of glazed nuts in minutes. Fully automatic, no need to stir, the machine does all the work. Simple operation, 3-position control offers exact temperature control. Use the popcorn setting for popcorn or the nut setting for roasting or glazing nuts. The cover doubles as a serving bowl. The stir rod has been optimized for popcorn and nuts. The shape and size moves popcorn around without kernels getting stuck or burned and gently tumbles nuts so they are evenly roasted or coated with glaze. Nonstick cooking surface allows for easy clean up. Includes butter well for popcorn.

Kitchenaid 3444		ICE CREAM MAKER ATTACHMENT.							
		This KitchenAid ice cream maker attachment offers the largest ice cream bowl capacity in the stand mixer industry. Prepare 2 quarts of soft-serve ice cream, sorbet, or sherbet in 20 to 30 minutes utilizing the pre-chilled bowl. Just turn on the Kitchen mixer, pour in the batter, and let the Dasher and Freeze Bowl do the work. Pre-chill bowl for 15 hours. Freeze bowl assures thorough, even freezing. Frozen liquid sealed in bowl walls chills ingredients. Dasher spreads and mixes as it scrapes bowl walls. Includes bowl; drive assembly; rotating dasher to spread, scrape and mix; adapter ring to fit mixers; instruction guide and recipes.

Focus Electrics LLC 7434		WESTBEND EGG AND MUFFIN TOASTER.							
		The egg and muffin toaster brings you the drive-thru breakfast without the drive. Simultaneously toasts and steam poaches an egg to create one of America's favorite breakfast sandwiches in about 4 minutes. Meat-warming tray included. Wide toasting slots. This multi-function appliance can simultaneously toast 2 slices of bread (or English muffin, bagel, croissant, etc.), cook an egg (poached or steam-scrambled), and warm a precooked slice of ham or sausage, or any combination of these 3 functions. The toaster's intelligent Egg/Toast function directs steam cooking and toasting to complete at the same time. The egg and muffin toaster also features wide toasting slots, an automatic shutoff for individual toasting and poaching options, an easy-to-clean control touchpad, light to dark toaster settings, and the ability to boil up to 4 eggs. It also includes cord storage and a removable crumb tray for easy clean-up. An ideal gift for mom and dad, students, apartment dwellers, commuters, or just about anyone interested in a quick and easy breakfast sandwich without the drive-thru.

Catalina Prod/Mr. Beer 5550		MR. BEER REFILL KIT.							
		The Refill Brew Pack offers Mr. Beer brewers the option to select from several of our award-winning beer mixes and create a single batch of tasty home brew. The Refill Brew Pack includes all the essential ingredients a Mr. Beer brewer needs to create twenty 12 oz. beers. It comes with Booster and OneStep. Booster is a corn sugar maltodextrin that will enhance the body, flavor, and alcohol of the brewer's creation. The sanitizing power of OneStep is a necessity to any successful batch of beer.

Johnson S C Inc 4626		SARAN CLING PLUS PLASTIC FOOD WRAP.							
		Clear plastic wrap. Keep food protected, the fresh way. Cling Plus wrap is ideal for covering and storing your prepared foods and leftovers - even for reheating them in the microwave. It clings tightly to foods, sealing in the freshness, whether you're bringing your family on a backyard picnic or embarking on a cross-country trip. It is also ideal for keeping food fresh on the go. Use it for cookies, fruits, sandwiches, desserts, salads, snacks, vegetables, cheese, and more. Easy tear cutting edge. 200 sq. ft.

Clorox/Home Cleaning 4233		GLAD PRESS'N SEAL PLASTIC FOOD WRAP.							
		While other wraps cling, Press'n Seal wrap actually seals to a variety of surfaces including paper, plastic, and wood. Create your own custom bags or freeze in individual portions. You can help keep food fresh in the refrigerator and freezer, help prevent spills, and use it in the microwave, too. Press'n Seal wrap lets you create a custom fit to seal freshness in. 75' (25.4 yd. x 11.8").

Warp Bros. 7354		PLAST-O-MAT RIBBED SHELF LINER.							
		High gloss finish makes your shelves sparkle. Patented ribbed shelf liner wipes clean easily and is durable - about 5 times thicker than ordinary liner. Deep ribs allow air flow under glasses - clears out moisture and stale air. Exclusive ribs provide extra cushioning to protect dishes. Sanitary. Easy glide surface won't tear. Heavy pots, pans, and canned goods that would gouge and rip ordinary shelf liners slide easily across the unique ribbed surface. Cuts easily with regular scissors and lays flat. Protects fine wood finishes and has no messy adhesives. Waterproof ribbed shelf liner resists stains and wipes clean with a damp cloth.

Housewares > Laundry Equipment > Clothes Dryer Cleaners & Accessories > Lint Catcher Bag

Gardus 1779		LINTEATER CATCHER BAG.							
		Captures loosened lint from the dryer vent while rotary brushing with the LintEater system. Attach the LintCatcher bag to the exterior vent hood, turn on your blower or dryer and begin rotary brushing the vent system. As loosened lint is blown out by dryer or blower vac, the lint empties directly into the LintEater catcher bag, keeping the area clean.

Housewares > Laundry Equipment > Clotheslines & Accessories > Retractable Clothesline

Moerman Americas, Inc. 2735	SINGLE-LINE RETRACTABLE CLOTHES LINE.
--------------------------------	---------------------------------------

Retractable single-line extends to any length up to 49' (15m). Long enough to carry an entire laundry load. For indoor or outdoor use. Pastel blue case is made of high-impact plastic. The reel stores vinyl-coated, 0.14" diameter, polyester clothes line neatly and tangle-free. The quick lock cleat provides positive locking and holds the line taut at any length. The polished metal bracket mounts on any hard surface that can take a mounting hole and screw. Hardware is included. End of the clothesline attaches to a screw hook. Chassis folds against the wall when not in use.

		20" watertight cable extender can be used with residential walkway mats model No. HR20-60 SKU 600012, residential stair mats model No. HR10-30 SKU 600014. Multiple cable extenders can be connected together to create custom length cables. The 20" cable extender and 25' cable extender can also be connected together. Cable gauge: 14/3 SJTW. Length of cable extender: 20". When you mix and match the residential walkway and stair mats, there are 2 situations which may require you to use a 20" cable extender: 1. Walkway mats connecting on 2 different levels (ie: A tiered walkway). In this case you will need a 20" cable extender to allow the mats cables to reach one another. 2. A stair mat - walkway mat - stair mat combination. When you connect a stair mat to a walkway mat and then to another stair mat, you will need a 20" cable extender to connect the 1st stair mat (closest to the outlet) to the walkway mat in the middle.

Heattrak 4554		25' CABLE EXTENDER.							
		25' watertight Multiple cable extenders can be connected together to create custom length cables. The 25' cable extender and 20" cable extender can also be connected together. If the electrical outlet on your house or facility is further than 6' from the heated mats you will need to use an outdoor rated cable extender. This 25' watertight cable extender will provide an additional level of protection against water and moisture than other outdoor rated extension cords. This watertight cable extender was designed with the HeatTrak walkway and stair mats in mind and will only work with HeatTrak products. To ensure a watertight seal, the cable extender has the same patented connectors as the heated walkway and stair mats. This cable extender can be used with residential walkway mats model No. HR20-60 SKU 600012, and residential stair mats model No. HR10-30 SKU 600014.

USCOA Int'l 3090		DECOIR BRUSH ENTRANCE MAT - NATURAL TAN.							
		DeCoir brush entrance mats combine a natural elegance with superior cleaning performance. DeCoir mat is manufactured in the USA from natural coir (coconut) fiber bristles which are inserted into a weatherproof vinyl backing. The bristles offer a unique brush-style cleaning surface. This cleaning feature is far superior to that of imitation cocoa mats and other synthetic mats. DeCoir mat is safe: They will not curl up and are skid-resistant. The design is applied through an electrostatic flocking process that permanently bonds the colored fibers to the coir bristles. The design is both fade and weather-resistant. The tough DeCoir vinyl backing holds its shape for the life of the mat and prevents unraveling or deterioration of the natural coir fibers. This construction allows DeCoir mats to trap dirt inside the mat rather than allowing debris to filter through the mat and cause damage to exterior floor surfaces or interior floor coverings. Mat is easily cleaned by shaking or vacuuming and is stain, rot, and mildew-resistant. Plain natural tan design.

Housewares > Mats & Rugs > Mats > Grounded Fault Circuit Interrupter

Heattrak 4554		GFCI POWER UNIT.							
		Every group of Residential heated stair mats and walking mats requires a GFCI (Ground Fault Circuit Interrupter) power unit to connect the system to an electrical outlet. The power unit contains a watertight connector that will allow it to connect to the 1st or last mat in your system. The power unit is rainproof, so it can be left outside for the entire winter season. Power unit cord length: 6'. If you do not buy a GFCI power unit, your mats will not work. Additionally, if you are ordering heated mats for more than 1 location (ie: Front of the house and back of the house) you must order a power unit for each location.

Mohawk Home Products 4396		BETTER RUG NONSLIP RUG PAD.							
		Better Rug underlay pads will help extend rug life and protect flooring and carpeting. The thick padding will keep area, scatter, bath, utility rugs, and mats from sliding on hard surfaces like ceramic, tile, or wood. Rugs pads circulate air, preventing mold and mildew buildup. Makes rugs easier to vacuum. These 1/4" thick pads are made from a specially coated PVC compound. For indoor use only. Can easily be cut to any size.

USCOA Int'l 3090		DECOIR BRUSH ENTRANCE MAT - WIPE YOUR PAWS.							
		DeCoir brush entrance mats combine a natural elegance with superior cleaning performance. DeCoir mat is manufactured in the USA from natural coir (coconut) fiber bristles which are inserted into a weatherproof vinyl backing. The bristles offer a unique brush-style cleaning surface. This cleaning feature is far superior to that of imitation cocoa mats and other synthetic mats. DeCoir mat is safe: They will not curl up and are skid-resistant. The design is applied through an electrostatic flocking process that permanently bonds the colored fibers to the coir bristles. The design is both fade and weather-resistant. The tough DeCoir vinyl backing holds its shape for the life of the mat and prevents unraveling or deterioration of the natural coir fibers. This construction allows DeCoir mats to trap dirt inside the mat rather than allowing debris to filter through the mat and cause damage to exterior floor surfaces or interior floor coverings. Mat is easily cleaned by shaking or vacuuming and is stain, rot, and mildew-resistant. Wipe Your Paws design. 19.5" x 29.5".

Helen of Troy L.P. 6739		REVLON PINK IONIC STYLER AND HAIR DRYER.							
		This lightweight Revlon styler and dryer features an ionic technology that helps dry hair fast while retaining moisture. 3 heat and speed settings provide complete drying and styling flexibility. The cold shot button releases cool air for setting the style. A removable end cap eases the cleaning process helping to keep the styler, dryer in top working order. A concentrator attachment allows for precise drying and styling. Hanging ring for convenient storage. The ionic anti-static dryer uses a patented ion air delivery system to dry hair fast. Negative ions saturate the airflow to reduce the size of water droplets so more moisture is infused into your hair. This helps condition and soften making hair shinier while adding volume and reducing frizz. Color: Pink.

Housewares > Personal Care > Skin Care > Lotion

Dairy Association 6383		BAG BALM LOTION.							
		Bag Balm is the original moisturizing ointment for chapped and irritated skin. Apply to cracked pads, dry elbows, cuts, abrasions, and skin irritations. Contains 0.3% 8-Hydroxyguanine sulfate for an antiseptic approach to treating abrasions and wounds. Bag Balm has a petrolatum and lanolin base to keep superficial tissue moist and soft. It goes on fast and stays on. Originally created in Vermont to treat the udder area after milking cows. This time-test ointment is now being used on pets and people for chapped skin and minor skin irritations. Alcohol-free formula.

ITW Dymon 4757		SCRUBS SOLAR GUARD SUNSCREEN TOWEL WIPES.							
		Sunscreen wipes combine a unique liquid sunscreen formula and a large, lint-free wipe. The wipe will remain open and retain its original size while applying to the face, neck, and arms. Solar Guard delivers full sun protection for professionals who work in the outside environment. Sunlight is the main source of UVA/UVB radiation, which can cause eye damage, premature aging of the skin, and skin cancers such as melanoma. Taking protective measures like using Solar Guard may help reduce these risks and UV radiation exposure.

Housewares > Trash Cans & Trash Bags > Lawn Bags > Lawn & Yard Waste Funnel

Leaf Mate 5513		LAWN AND YARD WASTE FUNNEL.							
		The Lawn and Yard waste bag funnel easily fits inside standard 30 gallon paper yard waste bag. The funnel shape and heavy-duty construction keeps the waste bag open, upright, and easy-to-fill without tearing. Once filled, the funnel simply pulls out of the bag. 2 large clips make the funnel collapsible for easy storage. The funnel is lightweight, washable, and extremely durable.

Chaney Instrument 3639		GALILEO THERMOMETER WITH BAROMETER BALL.							
		Galileo thermometer reads 64 deg. F. to 80 deg. F. When temperature rises, the liquid inside the glass tube becomes less dense and the liquid filled bulbs will sink. When the temperature of the room cools, the process is reversed and the bulbs will rise from the bottom. Glass barometer globe with frosted world map. Variations in barometric pressure are associated with weather systems and these changes are immediately revealed by the water level in the spout. A low level of liquid in the spout indicates high-pressure and fair weather can be expected. A high water level is associated with bad weather. In cases of severe weather and major storms the water may even run out of the spout. Wooden base included. A fun and functional accessory.
