## Open Air Design

Maximum airflow is achieved through half cover design. Provides excellent ventilation to accelerate seasoning. Keeps top levels dry.

## High Grade Steel Frame

Best in class 1 1/2" / 3,8 cm round tube frame delivers solid frame for wood storage.

## DuPont™ Premium Powder Coat Finish

Provides 4 season protection against chipping, peeling, rust and corrosion.

## Two Way Adjustable Cover

High quality 300D polyester fabric cover. Innovative design adjusts to fit cut wood up to 24"/61 cm. Easily slides up and down the frame with the height of the wood stack. Results - always dry usable wood.

## Reinforced Spreader Bar

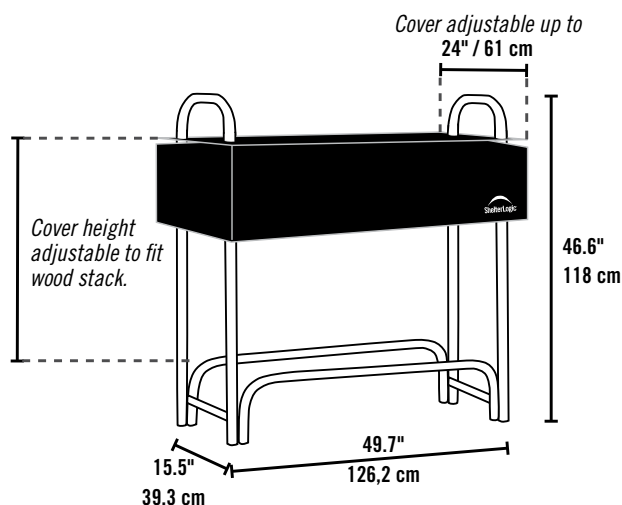

Adds ultimate strength and stability to rack frame.

## Raised Storage

Keeps wood off the ground, preventing insect infestation, mold growth and rotting.

Easy assembly with just a 1/2" / 1.3 cm wrench — goes together in minutes. Open air design keeps wood off ground preventing insect infestation, mold growth and rotting. Excellent ventilation makes a great year round seasoning rack.
