## **Tell us more about yourself and your organization.**

Bruce & Jody Thisted operate Misfit Acres Inc. Misfit Acres is a 501c3 sanctuary and rescue which provides a permanent home where formerly "unlucky" horses can live out their remaining years safe from abuse and neglect.

## **Tell us why you participate in TerraCycle, and how you involve your organization.**

We would be lost without TerraCycle! Through these recycling programs, we are able to obtain funding for our horse rescue and engage the community as they understand the programs and that their "trash" is helping feed the horses!

## **Tell us how you like to spend your points and send us pictures (if applicable).**

The funds received from TerraCycle helps with our on-going expenses of food, hay, medical care, and farrier care of the horses in sanctuary.

## **Tell us a story about your most exciting, memorable, or inspiring moment in collecting for the Chip Bag Brigade.**

There are so many inspiring moments affiliated with collecting! From coming home from work and there are bags of chip bags on our deck and we don't know who brought them, the little girl at the park picking up pop bottles and bringing them to us, people at our annual fundraiser that we do not know bringing bags of empty chip bags - so many great happenings!

## **Do you have a specific thank you message that you would like to say to Frito-Lay, the sponsor of the Chip Bag Brigade?**

Dear Frito-Lay, Your generosity and environmental stewardship are to be applauded! By becoming sponsor for the Chip Bag Brigade, your funding is not only helping care for the horses at our rescue and but also creating an awareness that there are other options besides the trash for items. We are honored to be a part of this program.
