

We have been blessed with a beautiful \$7 million new grammar school. We now need to work together to service the debt for this wonderful space for our students.

The Jefferson Legacy Fund: will enable you, your extended family members, and local businesses to have rooms and windows in the new school dedicated to someone of your choosing. It can be a memorial, in honor of a student, or anything appropriate to your family, business, and school.

We have several classrooms that can be dedicated at \$5,000 per classroom. We have larger areas, the main entrance, the library, the gymnasium, the courtyards and the music room that can have dedication plaques at \$10,000 each. Larger windows can be dedicated for \$2,000 each, and classroom windows for \$1,000 each. We hope that EACH FAMILY will help us to locate at least one benefactor who can make a commitment at one of these levels. This will go a LONG way to help minimize monthly payments to debt so scarce dollars can be returned to the classroom!
