I will:

- Practice teamwork with all parents, athletes and MMSST staff.
- Respect the MMSST staffs' private lives by contacting them only during normal operating hours to discuss issues.
- Not coach or instruct my child or any other athlete at a practice or competition, thereby interfering with the coaches' duties.
- Demonstrate good sportsmanship by conducting myself in a manner that earns the respect of my child, other athletes, parents, officials and the coaches at competitions and practices.
- Refrain from criticizing, name-calling, use of abusive language or gestures directed toward the coaches, officials, and/or any participating athlete.
- Direct questions or concerns during competitions, regarding decisions made by officials to a member of our coaching staff.
- Remember that Athletes – Compete; Coaches – Coach; Officials – Officiate; Parents – Parent.
- Contact MMSST staff directly with any questions or concerns I have about my child's program.
- I will cheer, praise and support the efforts of all competitors.
