Materials

Lunchables wrappers
scissors
pen or permanent marker
ruler
glue stick

Instructions

- 1 Cut your wrappers to 1.75" x 4" rectangles. You'll need 24 pieces to make a bracelet.

- 2 Take one wrapper and fold it in half lengthwise with the printed side facing out. Open it back up.

- 3 Run your glue stick along the inside of the wrapper. Fold both sides of the wrapper in to the center fold line.

4

Run your glue stick along the folded side of the wrapper. Then, fold the wrapper in half lengthwise again, so it is now a narrow rectangle.

5

Fold the wrapper in half widthwise and open it back up.

6

Fold both ends in toward the center fold line.

7

Repeat steps 2 through 6 on another wrapper.

8

Now take your two folded wrappers and tuck the two tabs from one piece into the slots of the other.

9

Repeat steps 2 through 8 for the rest of the pieces.

10

To finish your bracelet, follow steps 2 through 5 to fold your last wrapper. Push this piece through the two open ends of your bracelet. Then, tuck the two ends into the center of this piece. Your sweet, new bracelet is ready to wear!
