

Transcension Gate *Manifesto*

I have CHOSEN to ANSWER THE CALL

and ACTIVATE MY MISSION on Earth now.

I hold myself, and all life, as POWERFUL, PRECIOUS, and PURPOSEFUL.

I KNOW MY WORTH, and value my UNIQUE PERCEPTIONS of reality

I FACE MY FEARS and karmic issues,

and courageously TRANSMUTE them.

I do NOT project RESPONSIBILITY for myself

onto external reality or other people.

I fully OWN my SOVEREIGN inner SPACE.

I claim the LEADERSHIP ROLE of a CONSCIOUS AGENT

of the Starseed Initiative on Earth.

I UPHOLD the Light, do NOT shy away from the Dark,

and stand confidently on the Transcension Spiral Path.

I am propelled by CLARITY of my SOUL PURPOSE to serve this world

through the EXPRESSION of my Superpowers.

My name is _____, I am a Transcension Gate builder.

Transcension Gate builders NEVER GIVE UP because

they are in SERVICE to the Universe.
