

ENCOUNTERING THE MISSION

LUKE 10:1-24

**Jesus' disciples live their lives for
His mission.**

Jesus mission is...

- To reach the nations with the good news.
- To be carried out with other believers.
- Dependent on God, so pray!
- Dangerous, so don't be surprised at hostility.
- Urgent, so travel light.
- To declare the arrival of God's kingdom.

To be missionally-minded, we must...

- Remember the eternal stakes.
- Remember that we are Jesus' representatives.
- Remember that our lives are part of a cosmic war.
- Trust God with simple humble faith.
