

Owners are responsible for reporting annually to the state agency that their properties were in compliance with IRC §42. On January 25, 2018, members of THDA's Multifamily Programs Division conducted a three hour training covering the on-line Owner's Annual Certification of Continuing Compliance ("OAC") submission process using THDA's Housing Credit Management System, aspects of resident data reporting and associated topics found in the *"Guide for Completing Form 8823, Low-Income Housing Credit Agencies Report of Noncompliance or Building Disposition"* as included in the OAC questions. For continuing education purposes the following individuals attended this training:
