Young Member Camps & Holiday Club Timetable April 2-5

The Park Club Holiday Clubs and Camps are designed to provide an **action packed day (or part day)**, where young members will be **coached, trained and entertained**. As well as ensuring we provide the exercise necessary our camps are also a fantastic way of helping to **develop coordination, balance, agility and speed**. Our camps will also help children **develop friendships, assist with communication skills** as well as providing a **structured and disciplined** environment that is essential to any child growing up. There is no need for a parent, carer or guardian to stay onsite when children are registered to attend holiday camps. Lunch is provided in whole day sessions. For **busy parents**, there is also an option to drop off children early and collect late. Early drop off is from 8am, where entertainment and breakfast is provided. Late collection is until 6pm, where entertainment and dinner is provided.
