2021 TOYOTA GR SUPRA 3.0 PREMIUM ORNAMENTAL CONIFER GR SUPRA

Ornamental Conifer, the moniker for British artist Nicolai Sclater, started with a beautiful canvas, a 2021 Toyota GR Supra 3.0 Premium in Turbulence Gray, adding expressions like 'True to Form' and 'Lightning Response' as nods to past and present Supra attributes.

Sclater, art director at Race Service – the Los Angeles creative agency and culture hub connecting those who share a passion for car and pop culture – hand painted every letterform and graphic. Meticulously working with enamel paint and brushes, his inspiration came from imagining what motivates and drives enthusiasts to customize their GR Supra sports cars. This bold and eye-catching creation pays tribute to the lost art of sign painting while remaining fresh and contemporary.
