Apple iPhone or iPad

To access Trevecca's secure wireless, you must be an employee or registered student with an active TNU network account. Follow the instructions below to get connected.

1. On your iPhone or iPad, click on Settings.

2. Click on Wi-Fi.

3. Click on Trevecca-Unplugged-Secure. The padlock icon denotes the secure wireless.
4. At the Enter Password prompt, type in your TNU Username and Password. Then, click Join.

5. If you receive the following Certificate prompt, click Accept.
6. You are now connected to Trevecca-Unplugged-Secure. Continue below.
7. If you leave then return to campus, it may automatically connect to the unsecured wireless. Continue with Step 8 below to remove Trevecca-Unplugged (unsecured wireless).

8. Click on the far right button on Trevecca-Unplugged (without the padlock icon).
9. Click the **Forget this Network** button located at the top.

10. Click **Forget** on the confirmation window.
Forget “Trevecca-Unplugged” to stop automatically joining this network.
