SCHOOL OF EDUCATION

It is the mission of the School of Education to model competence, character, and compassion so that our students emulate and embrace these qualities in service and leadership.

Educational Leadership Program

DIRECTIONS

As an applicant for the Educational Leadership Program at Trevecca, please respond to the two items outlined below. Your responses should be typed, double-spaced, and attached to this sheet. Carefully proofread your response to each item prior to submission. Your response to each item should not exceed two pages.

ITEM #1

Analyze your potential for entering this program for school leaders. You may describe your leadership experiences in your school, the profession, and/or the community, as well as your strengths and weaknesses. Please provide a brief rationale for entering this program.

ITEM #2

Today’s educators are challenged by policy makers, politicians, and the general public to insure that students are learning. Describe your methods of assessing student learning in your current position. You may wish to comment on matters such as standards, test results, value-added scores, and other types of formal data and/or you may wish to describe less formal assessments you use in your particular setting.

Revised 07/09
