

4-H Summer Camp Information

CANTEEN

A canteen with beverages and snacks will be available in the evening for your enjoyment. The cost of canteen is included in your camp fee.

INSURANCE

Each camper will be covered by a special insurance policy that covers camp-related accidents or illness to the member. Your family's health insurance is the primary coverage. Our policy will cover deductibles and incidental medical expenses.

WHAT TO BRING TO CAMP - Checklist

Bedding:	<ul style="list-style-type: none">▪ Pillow, two sheets, two blankets OR sleeping bag▪ (Remember, camp is rustic so don't bring good ones. If you elect to bring a sleeping bag, you must still bring one sheet.)
Clothing:	<ul style="list-style-type: none">▪ Jeans (slacks), shorts, shirts (blouses)▪ Bathing suit▪ One heavy sweater or jacket▪ Raincoat or rain gear▪ Two pairs of comfortable shoes▪ Socks and underclothes <p>Note: All items should be marked with your name. In spite of all your best efforts, some items get mixed up and misplaced. Each year quite a bit of good clothing, towels, etc. are not claimed because we can't identify the owner.</p>
Toilet Articles:	<ul style="list-style-type: none">▪ Two towels and washcloth▪ Soap, shampoo and deodorant▪ Brush or comb▪ Toothbrush and toothpaste▪ One unbreakable cup <p>Note: Since you will be using a central bath facility, a plastic tote bag will be helpful.</p>
Other:	<ul style="list-style-type: none">▪ Mosquito repellent▪ Flashlight▪ Sunglasses (optional)▪ Pencil or pen and paper for writing letters, also stamps. Pre-addressed, stamped postcards are helpful.▪ Musical instrument, if you play, as there are opportunities for you to use them for reflections, parties, and campfire. We will arrange to store them for you.▪ Camera (optional). If you are interested in photography, there will be opportunities to take photos. We will arrange to store it, if you wish. Please label it with your name.

WHAT "NOT" TO BRING TO CAMP: Cell phones, radios/tape player/CD players, electric hair dryers or curling irons. The electrical supply is not adequate to permit their use.
