Tracie Tibbs, Regional Coordinator & Major Donna Miller

*The Salvation Army Council Bluffs Corps shines with glowing work! The Corps received the first Territorial Pathway of Hope Achievement Award for the Western Division. With the support of Major Donna Miller, Sara Large serves a dozen families engaged in the Pathway of Hope approach. Sara is also responsible for the Corps financial assistance program. She finds her position as rewarding and really enjoys helping families overcome their barriers. When you have a moment give a “SHOUT OUT” to the Council Bluffs team!*

## **YOU CAN DO IT TOO!**

*Remember your Corps can reach an Achievement Award as well. The eligibility requirements can be found on the Pathway of Hope Resource Database. Christmas is coming so gear up those brochures, cards, flyers, etc.*
