- \* **A woman, just released from incarceration with no place to go.** She was housed for two weeks in our Emergency Lodge and, in addition to having her immediate needs met, worked with our Case Managers to achieve her goals. As a result, she left our shelter with a job and a new apartment.
- \* **Two men arriving at the Corps with hard hats in hand.** They had just been offered positions with an area company and were eager to work - but couldn't afford the steel-toed boots required to start their jobs. Using our on-site inventory, stocked just for this purpose, we were able to provide each man with a pair of boots, allowing them to begin working the next day.
- \* **Two children, whose vision problems were causing them to struggle in the classroom.** After being referred by their teacher, we were able to provide eye exams and new glasses for each child.

We were incredibly fortunate to help thousands of neighbors in need in 2016, each with a story and circumstances all their own. As we consider what God has made possible, and as we give Him thanks, please know how very grateful we are for you. Thank you for your gracious support!

In His Service,

*Captains Daryl & Cherie Hansen*

*Thank You!*
