## Tournament Home Page Check List

To Add Notes in TDM go to the tournament home page and click on the general tab:

To bring attention to your notes add color.

We suggest adding red to your **Headline** by adding the following coding:

```
<p><font face="arial" color="#ff0000" size="3">
```

For example: In TDM General Notes in the Headline field add `<p><font face="arial" color="#ff0000" size="3"> Hotel`

When uploaded it will appear as **Hotel**
