V1.0 6/11/9

- k. If a captain knows ahead of time he/she will forfeit an entire team match, he/she must notify the Local League Coordinator and the opposing team captain. If a team forfeits an entire team match and that forfeit affects the outcome of the local league, then all matches played by the forfeiting team will be removed from the standings. If the forfeiting team has no effect on the outcome of the local league, matches played by that team will stand and that team may be eligible to advance.
 - i. Any team/captain that has more than 3 forfeits during one league season may be subject to a grievance and sanctioned for the next local USTA season. Sanctions will be determined by the Local Grievance Committee and can include suspension from USTA local league play.**
- l. If play is interrupted by weather, darkness or other factors beyond the control of players, completed individual matches will stand as played. In the event that rain or inclement weather forces the cancellation and/or re-scheduling of a local league team match, the line-up would stand only for those positions that had already started (first service attempt) their match. All other positions, even those that were in warm-up may be changed including defaulted courts.
 - i. In the event of inclement weather, it is the responsibility of captains to arrange indoor courts. BOTH CAPTAINS MUST AGREE TO MOVE INDOORS! Indoor court costs will be paid by the players.**
 - ii. If a team make-up match is required, within 48 hours of the original scheduled date, the team Captains will agree on a date or dates for the make-up match(es) to be played and the date shall stand; however, it is not necessary that all matches are played at the same time. The make-up match may be rescheduled with all courts played together or separately. If separately, Captains may give the players the authority to set their own individual court time and location. The agreed date under either method is the new scheduled match time. Failure to play on this date will result in a default for each individual match not present. Should neither team be present, the double default rule will apply.**
 - iii. The date of a team match make-up is to be no later than 14 days following the date of the original scheduled match or September 8th (for 18+ and 55+) and September 26th (for 40+ and 65+), whichever comes first. Both team Captains will inform the league coordinator of the new match date. If Captains are unable to agree upon such a date, the Rules Committee will set a date for the match to be played in order to comply with state guidelines. Failure to play on this date will result in default for each individual match not present.**

V1.0 6/11/9

- iv. **If a match has already begun and is rained out, all points, games and sets played at the time the match is suspended will count. Make-up matches will begin at the point they terminated and may be played on an alternate surface if both Captains agree.**
 - v. **The players on the court should make note of score, who is serving to which end, and all other matters concerning the match.**
 - vi. **All matches SHALL BE PLAYED as scheduled, unless inclement weather is a factor. NO ONE IS UNDER OBLIGATION TO RESCHEDULE A MATCH AT THE REQUEST OF AN OPPOSING CAPTAIN.**
 - vii. **Any court fees associated with a rescheduled match, with the exception of rescheduled matches due to inclement weather, WILL BE AT THE EXPENSE OF THE PLAYERS.**
- m. For each team match, a majority of individual matches must actually be played to constitute a valid team match. In a situation where the majority of individual matches would be not played (not a “valid” team match) the first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards. If both captains cannot come to an agreement on what lines will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played: #1 doubles, then #2 doubles.
- n. If both teams have enough players to play the match and it’s discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement then the individual match(es) to be played will be assigned in sequential order in the above-mentioned table. If a captain does not comply with this regulation, then it may be considered a full team default in favor of the opponents. If a team shows up without the minimum number of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01C(5) on team default procedures.

- a. Players who qualify to advance to a USTA Tennessee Combo Doubles Championship may advance on more than one team within an age group only if they are different NTRP levels, and the player must have qualified separately for each team. **No accommodations for scheduling**

V1.0 6/11/9

will be made at any Championship for teams with players that may be competing on two or more teams during a championship.

- b. In order to be eligible to play for a team at the USTA Tennessee Combo Doubles Championships, a player must have played at least one match for that team during the local league season. Defaults received do count toward advancement. A retired match counts for all players. Players may play on more than one level in a local league.
