USPTA Pro I Bart Kennedy provides a complete range of instruction for children and adults in all types of settings, as well as racquet stringing services. Please contact Bart directly at 423-948-9222.

The association sponsors local high school tennis competition, providing practice facilities for Chuckey-Doak High School, Greenville High School, and West Greene High School.

Keeping with our goal of availability for all, the Greene County Tennis Association charges the lowest league fees in the State of Tennessee and provides subsidized instruction and equipment as needed. The association receives public assistance from the Town of Greenville via the Parks and Recreation Department which supplies maintenance services. It also receives private sponsorship from local businesses and individuals who are committed to enhancing our community.
