USTA LEAGUE

MAJOR REGULATION CHANGES FOR 2019

Major Regulation Changes (USTA)

- 1) 1.04B(5): Sections may have a USTA Certified Referee or Umpire on the Championship Committee at Sectional and lower level championship events.
- 2) 2.05E: Automatic appeals by 60 and 65 & over players will be granted unless the player's year-end rating exceeds the clearly above level mark. Players whose appeals are granted will continue to receive "A" ratings and be subject to Dynamic Disqualification. This is applicable to 2018 year-end ratings for play in 2019.
- 3) Local Playoff Glossary Definition is removed; Local Playoffs are championships, not part of the local season.

Major Regulation Changes (USTA Southern)

- 1) 1.04D(6): Courts for Local League Play
"Home teams" will have the choice of court surface for which they wish to play their home matches. The use of tennis-related blended lines are permitted on courts used for local league matches. The use of other lines for another sport, such as Pickleball, are not permitted on courts used for local league matches.
- 2) 1.04F(1)c: Match results from Southern NTRP Tournaments in TennisLink will be included in the 2019 year-end ratings. For players that participate in NTRP tournaments exclusively, said player will generate a tournament-exclusive (T) rating contingent on enough match play.
- 3) 2.03D(1): For all championships at the section level and below, Southern permits the use of round robin(s), single elimination or un-flighted matches against randomly selected opponents. The use of multiple round robins, or the use of un-flighted matches, will require a playoff structure to establish a champion. Please refer to championship procedures for full details for that applicable championship.

Major Regulation Changes (USTA South Carolina)

- 1) 2.02B (1) (b); The winner of each specific NTRP level in each age division in local league competition shall be entitled to advance to the State Championship. If the winning team is unable to attend, an alternate team, preferably the 2nd place team, can be asked to advance. Should the second-place team not be available to attend, then a 3rd place team from the Local League affected may be invited to advance to State championships. If the 3rd place team from the affected Local League is unable to attend, then wild card procedure will be utilized to complete the draw.
- 2) 2.02B(1)(c) The State League Coordinator will determine which NTRP levels will play their local league at the State Championships. This will be based on the total number of teams registered in each area for each level by the initial league deadline date. Legal team rosters for any levels playing their local league at the State Championship must be

submitted by the initial league deadline date for the area in which the team is registering.

**THE USE OF THE
NATIONAL TENNIS RATING PROGRAM
AND
NTRP COMPUTER RATINGS
IN
THE USTA LEAGUE**

The National Tennis Rating Program (NTRP) is the official system for determining the levels of competition for the USTA League. The USTA NTRP Computer Rating System assigns ratings based on play in the local league and at championships and select NTRP tournaments.

1. The National Tennis Rating Program (NTRP) Guidelines define the characteristics of the various NTRP skill levels.
2. The USTA NTRP Computer Rating System is the official system to determine computer ratings for players throughout the country who participate in the USTA League. It is a mathematical system that assigns computer ratings to players by direct and indirect comparison of match results obtained from the USTA League and select NTRP tournaments.
3. A valid NTRP rating level is in effect for two years for individuals 60 years of age or older prior to, or during, the League Year and for three years for individuals 59 years of age or under, or until another valid NTRP rating level is generated. (See *Valid NTRP Computer Ratings Table* – inside back cover)
4. Players with a valid NTRP rating level must enter at that level or higher. (See *Valid NTRP Computer Ratings Table* – inside back cover)
5. Players in the USTA League without a valid computer rating must self-rate in accordance with the *General & Experienced Player Guidelines – Supplement to the NTRP Guidelines*. Factors such as a player's on-court performance, tennis background, and any additional information should be considered in the self-rating decision. When players are rating themselves, if they question at which level they should play, they should place themselves in the higher NTRP level of play.

Note: Players who are good athletes or intend to spend a great deal of time taking lessons and practicing should be aware that their improvement may be significant enough to surpass their original self-rating during the local league season or championship play. To avoid NTRP Dynamic Disqualification, these players should enter at a higher NTRP level of play at the beginning of the local league season.
6. In the USTA League Adult Division, dynamic ratings will be calculated at regular intervals for all participants during local league competition, at the end of the local league season, and either during, or at the end of, District/Area through Sectional Championships.
7. At the USTA League Adult Division National Championships, players will continue to generate dynamic ratings through their last match played, but there will be no NTRP Dynamic Disqualifications at National Championships.
8. After the USTA League Adult Division National Championships, year-end NTRP published levels will be calculated using USTA NTRP Computer Rating System Procedures approved by the USTA League Committee.
9. In the USTA League Mixed Division, an NTRP level will be calculated for participants who play in that Division exclusively. Year-end ratings will be based on the final dynamic rating generated from local league and championship level competition unless the player has a valid Computer (C) rating from a previous year.

1.04F(1)a Rating levels are derived in accordance with the USTA NTRP Computer Rating System Procedures. Once a player is assigned a valid Computer (C) NTRP rating level, it is valid for the Adult and Mixed Divisions for all players 59 years of age or under for three consecutive years or until another NTRP published rating level is generated. For players 60 years of age or over, a valid Computer (C) NTRP rating level is valid to play in the Adult and Mixed Divisions for two consecutive years or until another NTRP published rating level is generated. (See Reg.1.04F(1)b and c and *Valid NTRP Computer Ratings Table* -- inside back cover).

1.04F(1)b Mixed results will not be part of generating a player's year-end rating, except for those players who participate in the Mixed Division exclusively. A player who plays in the Mixed Division exclusively will receive a published Mixed Exclusive (M) rating level at year-end unless they have a valid Computer (C) rating level from a previous year on file in TennisLink. A published (M) rating level is valid to play in the Mixed Division exclusively and will be in effect for players 59 years of age or under for three consecutive years and for players 60 years or older for two consecutive years or until another published NTRP rating level is generated. A player who plays exclusively in the Mixed Division and subsequently chooses to participate in the Adult Division must enter by using a valid Computer (C) rating from a previous year. If such player does not have a valid (C) rating from a previous year, he or she must self-rate with the minimum NTRP rating level being the higher of the self-rating or valid Mixed Exclusive (M) rating.

1.04F(1)c A player who plays exclusively in NTRP tournaments and subsequently chooses to participate in the Adult Division must enter that Division by using a valid Computer (C) rating from a previous year. If such player does not have a valid (C) rating from a previous year, he or she must

self-rate with the minimum rating being the higher of the self-rating or valid Tournament Exclusive (T) rating.

Match results from Southern NTRP Tournaments in TennisLink will be included in the 2019 year-end ratings. For players that participate in NTRP tournaments exclusively, said player will generate a tournament-exclusive (T) rating contingent on enough match play.

1.04F(1)d Players who do not have a valid NTRP rating level on file in TennisLink shall self-rate in accordance with the *General & Experienced Player Guidelines – Supplement to the NTRP Guidelines* and complete the self-rating process on TennisLink when registering for a team. Players who allow someone else to complete the self-rating process for them will be ultimately responsible and held accountable for information submitted or omitted. Failure to self-rate in accordance with the *Guidelines*, or omission of information regarding a player's tennis history, will subject the player as well as the captain and/or others who completed, assisted, condoned and/or approved an inappropriate self-rating to penalties and suspension. Players whose self-ratings are determined to be inaccurate or inappropriate shall be disqualified. (See Reg. 3.03E(1)a).

1.04F(1)e Self-ratings are valid for two years from the date issued or until replaced by a dynamic or computer rating.

1.04F(1)f TennisLink will automatically remove expired computer and self-ratings thereby allowing individuals to self-rate. Players with expired ratings will not be allowed to self-rate at a lower level than their last valid NTRP rating level. However, when assigned an NTRP rating level by TennisLink, the player will have the opportunity to file a Self-Rate Appeal.

1.04F(1)g Each Sectional Association shall designate a committee to handle Self-Rate Appeals for those who appeal their assigned self-rating level. This committee may be the same, in whole or part, as the Sectional League Grievance Committee that handles NTRP Grievances. Players who appeal their rating and anyone acting on their behalf will abide by the Self-Rate Appeals Committee's decision without further right to appeal same, except that the Committee may reconsider its decision in the event there has been a clear factual error made by the Committee. Players granted an appeal of their self-rating may be subject to NTRP Grievance based only on newly discovered or missing information not previously considered. (See *General & Experiences Player Guidelines – Supplement to the NTRP Guidelines*.)

1.04F(1)h Valid NTRP Computer Ratings: See *Valid NTRP Computer Ratings Table* – inside back cover.

1.04G(3) A player may play on more than one team in an NTRP level within an Age Group in the same season provided it is in separate local leagues. The Section has the authority to accept or deny participation.

1.04G(4) A Section may authorize participation in more than one NTRP level within an Age Group in the same local league during the same season.

Southern authorizes participation in more than one NTRP level as stated above.

1.04G(7) At any National Championship, if a player qualifies for two or more teams at the same NTRP level for an event, the individual must declare which team he or she will represent. In the absence of a declaration, the first match played will determine which team he or she will represent.

This regulation also applies to any Championship within the Southern section.

1.04G(8) A player may participate in only one individual match within each team match.

1.04G(9) A player who participates in the USTA League in violation of any provision of Section 1.04G *Player Participation Eligibility*, shall be subject to an Eligibility Grievance as defined in Section 3.02D *Eligibility Grievance*.

1.05 Official Ball. In USTA League matches, a standard Type 2 USTA approved ball shall be used. The use of any USTA "transition" ball is prohibited.

2.00 USTA LEAGUES REGULATIONS.

All USTA League Regulations in 1.00 GENERAL, 3.00 GRIEVANCE PROCEDURES and the following Regulations in this section shall apply to USTA League Adult and Mixed Divisions except for Reg. 2.04 NTRP DYNAMIC DISQUALIFICATION AND REVIEW PROCEDURES which shall apply only to the USTA League Adult Division.

2.01 LOCAL COMPETITION.

2.01A NTRP Levels of Play.

2.01A(1) When using straight NTRP levels, a player cannot have an NTRP rating higher than the NTRP level in which the player is competing except in the 5.0+ NTRP level of the Adult Division, 18 & Over and in the 4.5+ NTRP level of the Adult Division, 40 & Over. Adult Division, 18 & Over 5.0+ team rosters may include up to two (2) players from the next higher NTRP level. Adult Division, 40 & Over 4.5+ team rosters may include up to three (3) players from the next higher NTRP level.

2.01A(1)a In Plus (+) NTRP levels utilizing three individual matches within a team match, no more than one Plus (+) level player shall be allowed to play in a team match and shall be required to play in a #1 position, either singles or doubles.

2.01A(1)b In Plus (+) NTRP levels utilizing four or more individual matches within a team match, two (2) Plus (+) level players may play in a team match and shall be required to play in either (a) both in the #1 doubles position or (b) one player in the #1 singles position and one player in the #1 doubles position.

2.01A(2) When using combined NTRP levels, the combined NTRP rating levels of the doubles team cannot exceed the combined NTRP level in which the players are competing;

2.01A(3) The NTRP difference between members of an individual doubles team may not exceed 1.0.

2.01A(4) USTA League NTRP levels in the local league and at championships are approved in accordance with the following table:

NTRP LEVELS OF PLAY

2.01B Men, Women and Mixed Doubles. Men’s and women’s leagues shall be separate at each approved NTRP level in the Adult Division. Leagues in the Mixed Division are comprised of a man and a woman who combine to play in each individual match. The local league shall determine which of these approved NTRP levels in Reg. 2.01A(4) shall be available for men, women and mixed genders in local league competition.

2.01C Competition Format.

2.01C(1) Round Robin. Each NTRP level within a local league shall play at least one round robin competition wherein every team plays every other team. When any NTRP level consists of only two teams, each team is required to play a minimum of three team matches, which is a triple round robin. When any NTRP level consists of only three teams, each team is required to play a minimum of four team matches, which is a double round robin. Any NTRP level may be divided into flights and each team shall play every other team in its flight. The flight winners may enter a playoff structure to establish a local league champion for that NTRP level.

2.01C(1)a Each Sectional Association may permit additional matches, selected randomly, within a flight.

2.01C(1)b Each Sectional Association may permit additional cross-flight matches in which each team in one flight plays an equal number of matches in the other flight, selected randomly if not a full round robin.

2.01C(1)c Each Sectional Association may permit the top teams in a flight to play an additional round robin to determine advancement, and the teams without a mathematical chance to advance may play an additional round robin.

Southern authorizes the use of 2.01C(1)a, 2.01C(1)b and/or 2.01C(1)c within its local leagues.

2.01C(2) Team Match. Each team match in a local league shall consist of such number of individual matches of singles, doubles, or any combination thereof as determined by the local league. Each team must have the minimum number of players available to play the majority of individual matches. If one team does not have the minimum number of players, the opposing team will be credited with a total team default, and will win each individual match 6-0 6-0. If neither team has the required minimum number of players, the match shall be scored as a double team default, and neither team will receive credit for a win. In the case of a team default or double team default any individual matches actually played will count only for NTRP ratings and eligibility for advancement and cannot count for determining standings.

If both teams have the minimum number of players available to play, but the combination of individual defaults by the two teams would result in the majority of matches not being played, the teams must follow the procedure(s) established by the Sectional Association, as required below, to ensure that a majority of individual matches are played.

Each Sectional Association shall establish procedures to determine the 1) flight standings in the event of a team default or double team default and 2) actions to take when the combination of individual defaults given by the two teams in the team match results, or would result, in a situation where the majority of the individual matches are not played. If no such procedures have been established, the match will result in a double team default.

The first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards.

If both captains cannot come to an agreement on what lines will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played:

FORMAT	REQUIRED MATCHES IN SEQUENTIAL ORDER	MINIMUM # OF PLAYERS REQUIRED FOR EACH TEAM IN VALID TEAM MATCH
2 SINGLES, 3 DOUBLES	#1 AND #2 SINGLES, AND #1 DOUBLES (PRIORITY); #2 DOUBLES IF ENOUGH PLAYERS PRESENT	4
1 SINGLES, 4 DOUBLES	#1 SINGLES #1 AND #2 DOUBLES (PRIORITY); #3 DOUBLES IF ENOUGH PLAYERS PRESENT	5
2 SINGLES, 2 DOUBLES	#1 SINGLES AND #2 SINGLES AND #1 DOUBLES (PRIORITY)	4
1 SINGLES, 3 DOUBLES	#1 SINGLES AND #1 DOUBLES AND #2 DOUBLES (PRIORITY)	5

1 SINGLES, 2 DOUBLES	#1 SINGLES AND #1 DOUBLES	3
3 DOUBLES	#1 AND #2 DOUBLES	4

If both teams have enough players to play the match and it's discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement then the individual match(es) to be played will be assigned in sequential order in the above-mentioned table. If a captain does not comply with this regulation, then it may be considered a full team default in favor of the opponents.

If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01C(5) on team default procedures.

2.01C(3) Match Scoring and Formats. It is recommended that all matches be the best of three tiebreak sets with a match tiebreak in lieu of a third set. The match tiebreak shall be scored as one set and one game for tiebreak purposes. For play at or below the Sectional level, the Sectional Association may authorize the use of other USTA approved scoring methods and other scoring methods that are compatible with the USTA NTRP Computer Rating System. Other match formats include: best of three tiebreak sets with a set tiebreak at 6-all, pro-set matches, a single set with a set or match tiebreak at 6-all and timed matches. No-Ad scoring can be used with any of the above scoring methods. The method of awarding points in order to determine the winning team of a local league team match and the winner of the local league competition may be the same as that used in championship competition or may be another method compatible with the USTA NTRP Computer Rating System selected by the local league. (See Reg. 2.03D *Competition Format* and Reg. 2.03E *Team Match and Scoring* for championship competition.) The scoring in the event of a default or disqualification shall be 6-0, 6-0. Retirements shall be scored as described in Reg. 2.03N *Scoring of Retirements*.

Southern authorizes the use of other USTA approved scoring methods compatible with the USTA NTRP Computer Rating System at all championships.

Procedures in the Event of a Tie for Local Play

In the event of a tie, whether in round robin or single elimination, Southern recommends that the tie shall be broken by the first of the following procedures that does so (same as Championship Procedure):

- 1) **Individual Matches. Winner of the most individual matches in the entire competition.**
- 2) **Head-to-head. Winner of head-to-head match.**
- 3) **Sets. Loser of the fewest number of sets.**
- 4) **Games. Loser of the fewest number of games.**
- 5) **A Method to be determined by the Local League. Procedure to be announced prior to the commencement of local league play.**

Local Leagues have the option to choose the procedure with Head-to-Head after Individual Wins in their local league play

If a Local League has a playoff, Southern recommends to follow the above-mentioned championship procedures in the event of a tie, since TennisLink will defer to championship procedures in a local league playoff. Please refer to national regulation 2.03H.

If a Local League has a playoff, it will defer to championship procedures in the event of a tie.

2.01C(4) Individual Match. An individual match is defined as any singles match or any doubles match played as part of a team match.

2.01C(5) Team Line-Ups. The team captain for each team shall exchange their team line-up simultaneously prior to the beginning of the team match. No substitution may be made in an individual match after the line-up has been presented, except for injury to, illness of, or disqualification of a player prior to the start of such match and except under such further circumstances as a Sectional Association may authorize. If the substitution is made during the warm-up, the substitute player is entitled to a five minute warm-up. The default principles in Reg. 2.03K *Team Defaults* and 2.03L *Scoring of Team Defaults* shall be applicable.

An individual match is started when the first ball is put in play. After the start of an individual match, if injury to or illness of a player occurs, the opponents will be awarded a retirement for that individual match only. If a disqualification occurs the opponents will be awarded a default.

- A. In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. If no such substitution can be made, the affected position only will be defaulted in local leagues.**
- B. In the event that a team match must be re-scheduled and starting times are staggered, where opponents are not available and ready to play, defaults will be awarded in the affected position only.**
- C. Local leagues will decide how to regulate rescheduling of team matches due to rain, inclement weather and/or USTA League-related conflicts.**
- D. Two players will play together in the higher position when both of their partners do not show in order to avoid two defaults. (Note: When dealing with combined levels, this would be permissible only if the two players together would not exceed the combined NTRP level.)**

Local Leagues may set their policy for players' presence on court to receive a default.

Local leagues may make a rule regarding the maximum number of individual defaults allowed teams during the Local League Season.

- E. If a team defaults an entire match (as described in USTA League Regulation 2.03K) in local play, states may decide whether to allow further play by that team and how matches played by that team should be used in determining standings. A state may not authorize a local league to make such determination. If the state does not have a specific rule in place regarding such team defaults, it must follow USTA League Regulation 2.03L.**

If a team commits a team default for any reason during round robin play, all matches for the defaulting team already played or to be played shall be null and void when determining standings but will be used for ratings and advancement purposes. If all teams with a mathematical chance to advance have played the defaulting team in good faith, those matches shall stand as played when determining standings. Teams that default an entire match are expected to play the remainder of their schedule. A grievance will be filed against a team that is assessed a team default.

2.01D Coaching. When the scoring method is the best of three tiebreak sets and a 10 minute rest period is taken between the second and third sets, coaching is permitted only during this rest period.

2.02 PROGRESSION.

2.02A Local League.

2.02A(1) Local League Competition. Each team that wins a specific level of local league competition shall be entitled to advance to the next level of competition if otherwise eligible.

2.02A(2) Local League Champions. At the conclusion of local league competition, the Local League Coordinator shall certify to the Sectional League Coordinator the results of the local league competition and the name(s) and address(es) of the team captain(s). Local league competition must be concluded prior to the deadline set by the Sectional Association.

2.02B Championships.

2.02B(1) District/Area Championships. Each Sectional Association shall determine and announce a method of progression suitable for its geographic boundaries for advancement of its local league teams to Sectional League Championships. Such progression may include one or more championships below the Sectional Championships.

The format for winning teams to progress from local league competition to the Southern League Championships is as follows:

The States shall determine the progression from local league to State Championship. The States shall identify to the Section their winning teams at each level.

2.02B(1)(a) All NTRP levels in the Adult 18 & Over, 40 & Over, 55 & Over, 65 & Over and 70 & Over divisions must play a local league to advance to District Championships except as noted in 2.02B(1)(c).

2.02B(1)(b) The winner of each specific NTRP level in each age division in local league competition shall be entitled to advance to the State Championship. If the winning team is unable to attend, an alternate team, preferably the 2nd place team, can be asked to advance. Should the second-place team not be available to attend then, a 3rd place team from the Local League affected, **may be invited to advance to State Championships. If the 3rd place team from the affected Local League is unable to attend, then the wild card procedure will be utilized to complete the draw.**

2.02B(1)(c) The State League Coordinator will determine which NTRP levels will play their local league at the State Championships. This will be based on the total number of teams registered in each area for each level by the initial league deadline date. Legal team rosters for any levels playing their local league at the State Championship must be submitted by the initial league deadline date for the area in which the team is registering. (NEW SC VERBIAGE FOR 2019)

The State Associations shall conclude the State League Championships for the Adult 65 & Over on or before October 21, 2019 to determine its State Champions. Teams attending must be submitted to Southern Sectional League Coordinator by October 26, 2019.

Any State that cannot comply with any of these dates must seek the permission of the Sectional League Coordinator in writing. If teams are brought in early to the Section Championships for local league play, the above-mentioned dates would not apply.

2.02B(2) District/Area and Sectional Championship Events. Each Sectional Association shall determine the dates of the championships within the Section. Each championship event ends on the date entered in TennisLink as the championship end date. In the event a championship is not concluded on the date published in TennisLink, then the end date in TennisLink should be amended to reflect the date of the last match played.

2.02B(3) Sectional Championships. Each Sectional Association shall hold a Sectional League Championship in each National approved NTRP level for each Division and Age Group, on or before the date specified by the USTA League Leadership, to determine its Sectional champions. The winning team at each NTRP level and Age Group shall be allowed to compete in the USTA League National Championships if otherwise eligible. If the winning team at any NTRP level of competition is unable to compete further towards the National Championships, then the Sectional League Coordinator may select the second place team for such further competition, etc.

Please refer to the 2019 Southern Championship Procedures for full championship details.

Please refer to the 2019 South Carolina Championship Procedures for full championship details.

2.02B(4) National Championships. The team winning the National Championship in each NTRP level of competition in each Age Group of the Adult and Mixed Divisions shall be the USTA League National Champion.

2.03 DISTRICT/AREA, SECTIONAL AND NATIONAL LEAGUE CHAMPIONSHIPS.

2.03A Eligibility.

2.03A(1) The District/Area or Section has the authority to determine the progression of teams to its championship competition by determining a champion of the preceding level of competition in its NTRP category or by using the *Championships Wildcard Procedures*. Champions of the preceding level of competition must be included in the progression if otherwise eligible.

2.03A(2) Participation. A player may participate in only one individual match within each team match.

2.03A(3) In the Adult and Mixed Divisions, a player is eligible to progress to championship level competition below National Championships if that player has played on the same team in at least two matches at the same NTRP level in the same Age Group during its local league season and is otherwise eligible. A maximum of one default received by the player during local league competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions. (See *Matches Required to Advance to Championships Table*.)

2.03A(4) In the Adult and Mixed Divisions, a player is eligible to advance to National Championship competition if that player has played on the same team in at least three matches at the same NTRP level in the same Age Group through Sectional Championships and is otherwise eligible. A maximum of one

default received by the player during local league or championship competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions. (See *Matches Required to Advance to Championships Table*.)

If there is no local and/or state competition offered for the Adult 18 & over, 40 & Over, 55 & Over or Mixed 18 & Over, 40 & Over, one team per state per level may be permitted to play a local league prior to the Section Championships beginning. If teams are brought in early to the Section Championships for local league play, all teams will be provided wildcards to advance to the Section Championships. (Please see exception for Adult 65 & Over on Page 4.) *Please note that a local league prior to Sectionals is not a guarantee and will only be permitted if two or more states are eligible to participate.

2.03A(5) At all Championships, a minimum number of team members as shown in the following table, who were on the final roster of their local league team at the conclusion of local league play, must be available and eligible to compete or to combine and compete, as appropriate. The required minimum number of team members may be reduced with an approved waiver, but to not less than the minimum as noted in the following table. At Sectional Championship level and below, the Championship Committee may grant such a waiver. At the National Championships a committee comprised of the USTA League Chair, Vice-Chair and the National League Administrator may grant such a waiver.

2.03C Scoring. It is recommended that all matches be the best of three tiebreak sets with a match tiebreak in lieu of a third set. The tiebreak shall be scored as one set and one game for tiebreak purposes. For championship play at or below the Sectional level, the Sectional Association may authorize the use of other USTA approved scoring methods and other scoring methods that are compatible with the USTA NTRP Computer Rating System. Other match formats include: best of three tiebreak sets with a set tiebreak at 6-all, pro-set matches, or a single set with a set or match tiebreak at 6-all. No-Ad scoring may be used with any of the above scoring methods.

2.03D Competition Format.

2.03D(1) Competition Format At Section Level Events and Below. The Sectional Association shall determine the format for the competition.

For all championships at the section level and below, Southern permits the use of round robin(s), single elimination or un-flighted matches against randomly selected opponents. The use of multiple round robins, or the use of un-flighted matches, will require a playoff structure to establish a champion. Please refer to championship procedures for full details for that applicable championship.

Round Robin formats are used in all levels of competition.

2.03E Team Match and Scoring. A team match will consist of the matches as shown in the following table. The team winning the majority of individual matches will be awarded one team point. For each team match, a majority of the individual matches must actually be played by the two teams to constitute a valid team match. The Championship Committee has the authority to determine the actions to take when the combination of individual match defaults given by the two teams in the team match would result in a situation where the majority of the individual matches would not be played.

2.03F Substitutions. No substitution may be made in an individual match after the line-up has been presented, except for injury to, illness of, or disqualification of a player prior to the start of such match, and except under such further circumstances as the Championship Committee may authorize. If the substitution is made during the warm-up, the substitute player is entitled to a five minute warm-up.

2.03G Coaching. When the scoring method is the best of three tiebreak sets and a 10 minute rest period is taken between the second and third sets, coaching is permitted only during this rest period.

2.03H Procedures in the Event of a Tie. In the event of a tie, whether in round robin or single elimination competition, the tie shall be broken by the first of the following procedures that does so:

2.03I Individual Defaults. An individual default occurs when a player fails to appear on time, or is disqualified by a tournament official for misconduct.

2.03J Scoring of Individual Defaults. For the purpose of determining standings, individual defaults will be scored as a 6-0, 6-0 win for the player or doubles team receiving the default and a 0-6, 0-6 loss for the player or doubles team that defaulted the match. In the event of a default by both players or doubles teams, both sides will be given a 0-6, 0-6 loss and neither receives credit for a win. If a double default results in a tie, the tiebreak procedure shall be the same as in Reg. 2.03H *Procedures In the Event of a Tie* in order to determine a winner of that team match.

2.03K Team Defaults. In all championships after local league competition, a team must have a minimum number of eligible players available for play in each team match in accordance with the following table or the entire match must be defaulted. The maximum number of positions that may be defaulted without defaulting the entire match is also noted. When defaults are necessary, the defaults shall be determined by the defaulting team captain in accordance with the table below:

ALLOWABLE DEFAULTS AT ALL CHAMPIONSHIPS				
DIVISION	AGE GROUP	MINIMUM NUMBER OF ELIGIBLE PLAYERS REQUIRED TO BE AVAILABLE PER MATCH	MAXIMUM NUMBER OF POSITIONS THAT CAN BE DEFAULTED	REQUIRED POSITION(S) AND ORDER OF MATCH DEFAULTS

2.03L Scoring of Team Defaults. If a team defaults an entire team match for any reason during round robin play, that team is ineligible to continue play at that championship. All matches of the defaulting team already played shall be null and void when determining standings but will be used for ratings and advancement purposes. If all teams with a mathematical chance to advance have played the defaulting team in good faith, those matches shall stand as played when determining standings. The Sectional Association may impose further penalties on the defaulting team.

A team forfeiting an entire team match during championship play may receive further penalties imposed by the applicable Championship Grievance Committee.

The defaulting team is ineligible to continue to play the remainder of their matches. The defaulting team will be responsible for the \$100 per line default penalty for all matches not played.

2.03M Retirement. A retirement occurs when an individual match has started and a player/doubles team is unable to continue due to injury, loss of condition, emergency or refusal to play.

2.03N Scoring of Retirements. In case of a retirement, for the purpose of determining standings, the non-retiring player/doubles team shall be credited with such number of additional games as would have been won if the match was completed and the non-retiring player/doubles team won every subsequent game. For NTRP computer data entry in TennisLink, mark as *retired* and submit actual scores of match at the point of retirement.

3.03B(4) Scoring of Eligibility Disqualification in Local League.

3.03B(4)a In the event of an eligibility disqualification during the local league season and up to 24 hours after the end of the local league season, all matches played by the disqualified player shall be considered defaults and those matches shall be considered wins for the opposing players or doubles teams and scored 6-0, 6-0 for determining standings. In case of an eligibility disqualification in single elimination, the last individual match played by the disqualified player shall be considered a win for the opposing

player or doubles team and scored 6-0, 6-0 for determining standings. If a double disqualification results in a tie, the local tiebreak procedure shall be used to determine the winner of the team match. If no such local tiebreak procedure exists, Reg. 2.03H *Procedures in the Event of a Tie* shall be used in order to determine a winner of the team match.

3.03B(4)b In the event of an eligibility disqualification after the conclusion of the local league season by more than 24 hours, the team will remain eligible to participate and retain points received up to the disqualification, but the ineligible player will not be allowed to continue or advance.

3.03C Championship Procedures.

3.03C(1) Any grievance alleging a violation during championship competition shall be in writing and delivered to the duly appointed site director or designee prior to whichever occurs first: (a) within 30 minutes of the completion of the involved team's match or (b) the commencement of the involved team's next match, whether or not the involved player participates, except for Administrative Grievances (See Reg. 3.03A(2)), Eligibility Grievances (See Reg. 3.03B(3)) and NTRP Grievances (See Reg. 3.03E(3)).

3.03C(2) At the time a grievance is filed, a copy of the grievance shall be sent by the Championship Committee to the party(ies) against whom the grievance has been made.

3.03C(3) Any grievance regarding failure to meet eligibility requirements may be filed by a team captain, league coordinator or member of a Championship Committee at any time.

3.03C(4) Scoring of Eligibility Disqualification for Championships.

3.03C(4)a Eligibility Disqualification That Occurs Prior To or After the Conclusion of a Championship Event. In the event of an eligibility disqualification prior to or after the conclusion of a championship event, the team will remain eligible to participate and retain points received up to the disqualification, but the ineligible player will not be allowed to continue or advance.

3.03C(4)b Eligibility Disqualification That Occurs During a Championship Event When Using a Round Robin Format or Segment. In the event of an eligibility disqualification in a round robin format during the championship event, the player will not be allowed to continue or advance on that team and all matches played by the player shall be considered losses and those matches shall be considered wins for the opposing players or doubles teams and scored 6-0, 6-0 for determining standings. If a double disqualification results in a tie, the tiebreak procedure shall be the same as in Reg. 2.03H *Procedures in the Event of a Tie*, in order to determine a winner of that team match.

3.03C(4)c Eligibility Disqualification That Occurs During a Championship Event When Using a Single Elimination Format or Segment. In case of a disqualification in single elimination format during the championship event, the player will not be allowed to continue or advance on that team and the last individual match played by the player shall be considered a win for the opposing player or doubles team and scored 6-0, 6-0 for determining standings. If a double disqualification results in a tie, the tiebreak procedure shall be the same as in Reg. 2.03H *Procedures in the Event of a Tie*, in order to determine a winner of that team match.

3.03D Grievance Committee Action.

3.03D(1) Following the receipt of a grievance and as soon as reasonable, the League Grievance Committee shall investigate the alleged violation as it deems appropriate. If the Committee deems necessary, it shall arrange for a hearing at which the parties involved shall have the opportunity to present evidence.

3.03D(2) The USTA League Grievance Committee shall have the power to dismiss or deny the grievance or to direct the correction of any violations by reasonable means, including the suspension of an individual or team. This is applicable to any party to the grievance as long as such party has been given the opportunity to review and present evidence.

3.03D(3) The USTA League Grievance Committee shall prepare a written decision setting forth the basis for its decision and the deadline for any written appeal and promptly send copies to the parties involved.

3.03E NTRP Grievances.

3.03E(1) Players Subject to NTRP Grievances.

3.03E(1)a Any self-rated player who is playing at an NTRP level lower than his/her actual skill level is subject to an NTRP Grievance. If an NTRP Grievance Committee determines that the self-rated player has an inaccurate or inappropriate self-rating, the player shall be disqualified and have his/her NTRP level adjusted by the NTRP Grievance Committee. Scoring of matches played by the disqualified player, per Reg. 3.03E(6), may be administered in accordance with Reg. 3.03B(4) *Scoring of Eligibility Disqualification in Local League* and Reg. 3.03C(4) *Scoring of Eligibility Disqualification for Championships*. The NTRP Grievance Committee may additionally impose other penalties against a player who has inappropriately self-rated, including suspension. Also, a captain or others who have completed, assisted, condoned or approved inappropriate self-rating will be subject to such penalties as the NTRP Grievance Committee may decide, including suspension.

3.03E(1)b A player with a valid NTRP Computer (C) rating or granted an Automatic Appeal (A) rating of a Computer (C) rating is not subject to an NTRP Grievance. Players 60 or over and players 65 or over who are promoted and granted an appeal per Reg. 2.05E are also not subject to an NTRP Grievance. Any other player is subject to an NTRP Grievance including players with granted Medical Appeals.

3.03E(2) Any league captain, coordinator or member of a Championship Committee may file an NTRP Grievance.

3.03E(3) NTRP Grievances may be filed against a player at any time up to 48 hours after the conclusion of the Sectional Championship of the player's team, whether or not the player participated. NTRP Grievances will not be accepted at National Championships.

NTRP Grievances filed within 7 days of the start date of the players and/or captain's local league playoff and/or 21 days of the start date of the player's and/or captain's State or Section Championships will be administered after the event unless the section authorizes the administration of the grievance prior to that time. If the grievance is not administered until after the event, points won by players will stand. Disqualified players and/or captains that are suspended will not be eligible to advance to the next level of championship play.

USTA South Carolina follows the above noted USTA Southern procedure regarding NTRP Grievances.

3.03E(4) Local League Competition. NTRP Grievances shall be filed in writing with the Local/District/Area League Coordinator or designee having jurisdiction. NTRP Grievances shall be administered by the Sectional League NTRP Grievance Committee of the player against whom the NTRP Grievance was filed.

3.03E(5) Championship Competition. NTRP Grievances shall be filed in writing with the duly appointed site director or designee having jurisdiction. NTRP Grievances shall be administered by the Sectional League NTRP Grievance Committee of the player against whom the NTRP Grievance was filed. Each Section shall have the option to adjudicate NTRP Grievances prior to, during or after a championship event.

3.03E(6) NTRP Grievance disqualifications occur when the Sectional League NTRP Grievance Committee reaches such decision and sends notification to the parties involved. The date and time that the Sectional League NTRP Grievance Committee sends notification controls the assessment of penalties, including the scoring of matches, which shall be administered in accordance with USTA League Regulations 3.03B(4) *Scoring of Eligibility Disqualification in Local League* and 3.03C(4) *Scoring of Eligibility Disqualification for Championships*.

3.03E(7) Following an NTRP Grievance Disqualification, the player may not play at the disqualified NTRP level of play or any lower NTRP level of play in either singles or doubles for the remainder of the

Championship Year and for the succeeding Championship Year. In any Division using combined levels, the combined NTRP rating of the disqualified player and partner may not surpass the maximum permitted combined level for that Division. A player who has been moved up as a result of an NTRP Grievance Disqualification in the Adult Division must immediately adjust his/her NTRP level of play in the Mixed Division.

3.03E(8) Following an NTRP Grievance Disqualification in an Early Start League (ESL), the player must immediately adjust his/her NTRP level of play. The player may not participate at the disqualified NTRP level in a previous year's championship for which the player may have qualified.

3.03E(9) The Sectional League NTRP Grievance Committee decision may be appealed in accordance with USTA League Regulation 3.04 *GRIEVANCE APPEALS*.

3.04 GRIEVANCE APPEALS.

3.04A General Procedures.

3.04A(1) Any party(ies) to the grievance may appeal the decision of the Grievance Committee within the time fixed by the Grievance Committee. Upon receipt of an appeal of the decision of the Grievance Committee, the Grievance Appeal Committee shall act promptly to resolve the appeal.

3.04A(2) The party(ies) appealing shall file a written notice of appeal with the appropriate coordinator or designee, who shall send it to the Chair of the appropriate Grievance Appeal Committee, the Chair of the Grievance Committee whose decision is being appealed, the Local, District or Sectional League Coordinator, and to the other party(ies) involved in the grievance.

3.04A(3) The party(ies) appealing shall have an opportunity to submit, in writing, facts and arguments in support of their respective positions. All information submitted shall be provided to all parties.

3.04A(4) Play During Grievance Appeal Procedures.

3.04A(4)a If the grievance was upheld, the individual is subject to all penalties imposed by the Grievance Committee during the appeal process.

3.04A(4)b If the grievance was dismissed or denied and then appealed, the party(ies) may participate during the appeal process, but must understand that the decision of the Grievance Committee may be remanded for reconsideration.

3.04B Grievance Appeal Committee Action.

3.04B(1) The Grievance Appeal Committee shall not be required to hold any hearing except as provided in Reg. 3.04B(2). Its decision may be based entirely on the findings of fact by the Grievance Committee whose decision is being appealed and on the facts and arguments submitted in writing by the party(ies) to the appeal.

3.04B(2) If the Grievance Committee did not hold a hearing, the Grievance Appeal Committee shall do so, provided any party involved in the grievance so requests in writing. However, the committee may hear such further evidence as it, in its absolute discretion, deems appropriate.

3.04B(3) The Grievance Appeal Committee shall have the power to affirm, modify, remand for cause, or reject the decision of the Grievance Committee. The Grievance Appeal Committee shall not impose a harsher penalty than that imposed by the Grievance Committee. For the purpose of clarification, should the Grievance Committee elect to not impose a penalty, the Grievance Appeal Committee may not impose a penalty; however, the Grievance Appeal Committee may, for cause, remand the matter to the original Grievance Committee or a new Grievance Committee for reconsideration.

3.04B(4) A copy of the Grievance Appeal Committee's written decision setting forth the basis of its decision shall be promptly sent to all interested parties and such decisions shall be final and binding. The following exception shall apply: any individual or team suspended by any Local, District/Area, or Sectional Grievance Appeal Committee for a period of 12 months or more may appeal the final decision of the Grievance Appeal Committee to the National League Grievance Appeal Committee within the deadline established by the Grievance Appeal Committee.

3.04C National League Grievance Appeal Committee Action.

3.04C(1) The National League Grievance Appeal Committee shall hear appeals from individuals/teams suspended for a period of 12 months or more by a Local, District/Area, or Sectional League Grievance Appeal Committee. Upon receipt of an appeal of the decision of the Grievance Appeal Committee, the National League Grievance Appeal Committee shall act promptly to resolve the appeal.

3.04C(2) The National League Grievance Appeal Committee shall have the power to conduct such investigation as deemed necessary by the Committee in its absolute discretion and to affirm, modify, remand for cause or reject the decision of the Grievance Appeal Committee, but may not impose a harsher penalty. (See Reg. 3.04B(3).) However, the National League Grievance Appeal Committee may, for cause, remand the matter to the original Grievance Committee or a new Grievance Committee for reconsideration.

3.04C(3) A copy of the National League Grievance Appeal Committee's written decision setting forth the basis of its decision shall be promptly sent to all interested parties including the Grievance Appeal Committee. Such decision shall be final and binding.

3.05 GENERAL PROCEDURES FOR GRIEVANCE AND GRIEVANCE APPEAL COMMITTEES.

3.05A Teleconference Participation. If one or more members of a Grievance Committee or Grievance Appeal Committee cannot be present at a hearing, such members may, at the discretion of the chair, participate by means of a telephone conference call, video teleconferencing, or other approved remote participation. If any witness cannot be present at a hearing to present evidence, such witness may, at the discretion of the chair, be permitted to do so by means of a telephone conference call, video teleconferencing or other approved remote participation.

3.05B Written Requirement. The requirement that a notice or other document be in writing is satisfied if it is sent by mail, fax, e-mail or equivalent communication.

The scoring is the same as a traditional Set or Match Tiebreak. Beneficial in doubles as players continue to serve from the same side as during the set. (See FRIEND AT COURT – Part 3: USTA Reg. Early Start League: A local league season that commences prior to January 1 of the League Year.

Eligibility: Requirements to play.

Flight: A group of teams competing at a specified NTRP level within a local league or championship competition where every team in that group plays every other team to declare a winner. When flights are established, a playoff must be held at championship level to determine a champion in that NTRP level.

Forfeits: See Default
