

Central Park Doubles Social League

Who: Co-ed League for Adults 18+ years old

Skill Level: Players must be able to serve, keep score, and know the rules of the game—most players have NTRP ratings of 2.5 to 4.0.

(If you are a newer player and are interested in lessons to improve your game, there are several other programs for you and I will share that information with you if you shoot me an email...my contact info is below.)

Dates: Each Monday from April 15 – June 3, 2019

Time: 7:00pm - 8:30pm

Location: Central Park Tennis Courts

Cost: \$30.00 for the 8-week league, refreshments, and give-a-ways

Format: Each week you'll be matched up with others to play doubles (some may play singles if we're short for a doubles court). The format will consist of playing one set and then rotating partners and playing another set. If you are unavailable to play that week, no problem! It's that easy; it's that fun!
