Upcoming Event:

First event of the 2016-17 season will be at Salishan, Thursday, September 8th. Watch for a full schedule in August.

Terrific Threes

The "Terrific Threes" event was held at Tualatin Hills, June 9th. There were 24 players, 12 3.0's and 12 3.5's. The event was slated as an outdoor event. The weather cooperated for about an hour before the skies opened up. Fortunately the tennis center had three indoor courts available. Unfortunately the 3.0 and 3.5's were playing simultaneously, so we alternated rounds. While the 3.0's played the 3.5's ate and visa versa. The event lasted longer than planned but in the end it all worked out.

Ever Wonder Where Your Dues and Event Fees Go?

Prizes are awarded at each event. In addition, the OSWTA Board of Directors awards grants to help children, who might not otherwise have the opportunity, experience the fun of playing tennis. This year we had the pleasure of awarding grant monies to the Northwest Wheelchair Association to help promote junior wheelchair tennis programs.

If you know of a worthy organization please contact Sarah Koss for information.
