You will be completely locked out of TennisLink if you don't renew before your expiration date. Visit http://activesupport.force.com/usta/articles/en_US/Manual_User_Guide/Net-Generation-Help-Guide and follow the steps in Net Generation to complete the background screening. **You must be approved before you can create a team in TennisLink and the screening approval can take up to 10 business days. Team Requirements

- Forming a Team: All age groups require a minimum of 4 players (4 boys OR 4 girls) to be registered by the deadline. For 8U, teams can be any combination of boys and/or girls. Teams need to meet the level and age requirements and should double check eligibility before determining the level of the team.
- Home Facility Requirements: Teams are required to provide two courts of the same surface at their location. All facilities must be located in Cobb, DeKalb, Fulton, Gwinnett, or Forsyth County. Captains at a new facility should contact USTA Atlanta (770-416-4333) to verify your facility is eligible for the USTA Junior Team Tennis program. The following information is required: facility name, address, number of courts. The team cannot register until the facility is processed. Lights are **required** if a make-up match takes place during the evening. Home teams hosting 10U play must have courts prepared for 60ft play (tape, chalk, painter's tape and permanent lines are permissible).
If you would like to update your JTT court availability, please email Amanda (Amanda@ustaatlanta.com) with the facility and number of courts available for Junior Team Tennis by April 7th. This will help when scheduling numerous teams at a facility.
- Captain Information: Captains must have a current email address in order to receive league information throughout the season. As captain, you are responsible to get all USTA Atlanta information to players. Please ENSURE that your e-mail and phone number are correct on TennisLink.

Player Requirements

- Level Eligibility: Players registering for a 12U-18U team must use their junior rating (JNTRP). If a player does not have a rating, they will self-rate by following the prompts when registering for the team. 10U level eligibility will still be determined by tournament points/standings. **It is very important that you view the [attached document](#) for specific level eligibility requirements.**
- Age Eligibility: USTA Junior Team Tennis is designed for kids ages 5-18. All players participating in the Summer 2018 season must remain age eligible through August 31st of the 2018 Championship Year (September 1, 2017 – August 31, 2018). *8U-eligibility rules are not the same because 8U teams do not advance past the local level. Players on 8U teams must remain 8 or younger through the summer season (through July 14).
- USTA Membership: All players must have a USTA membership that is current through the entire season of play. To join or renew a membership, go to www.usta.com or call 1-800-990-USTA. Current members can change contact information by calling Membership Services (number above) or emailing at memberservices@usta.com. Junior membership for one year is \$20. *New 10 and under players can receive a free 1-year junior membership by using promo code FYFE.
- Captains should check with all players before registering them for the team. **Once payment has been made no refunds will be issued.** We recommend that each parent be responsible for registering their child on a team.
- If you need additional players for your team, email Amanda (Amanda@ustaatlanta.com). We maintain a database of players looking for teams to join.

Other Important Information

- Teams that are formed outside of the USTA Atlanta boundaries (outside of Dekalb, Fulton, Gwinnett, Cobb, and Forsyth) are welcome to participate in USTA Atlanta Jr. Team Tennis (if approved). However, teams outside USTA Atlanta boundaries may be required to travel to more (if not all) matches, and will be grouped with the teams in closest proximities as possible.
- USTA Atlanta will make every effort to group teams within the closest proximities possible. Just because your team is closer to one facility does not necessarily mean you will be grouped in that sub-flight.
- TennisLink allows captains to view the “work in progress” that USTA Atlanta has done when putting together schedules. In most cases, teams are shifted around in order to finalize other divisions. **PLEASE NO PHONE CALLS prior to schedules being posted.**

2018 Championship Year **Summer Level Eligibility Requirements**

10U Beginner Level:

Players with more than 170 points in 10U on the posted Georgia standing list as of the end of January 2018 may not play at the beginner level. Point totals shall include both singles and doubles divisions from which points were acquired. Points earned due to defaults will not be considered and may be deducted if noted in writing to the Local League Coordinator at time of registration. *If a 10U player has played up in the 12s and has a junior NTRP rating of 2.8 or above the player may not play at the beginner level.

10U Intermediate and Advanced Levels:

The 10U division will not use ratings. Players with a 1-100 Southern Section standing in the 10's as of the end of January 2018 and who are playing in the 10's must play Advanced. If a 10U player has played up in the 12s and has a junior NTRP rating of 3.5 or above the player must play Advanced.

To search for tournament standings/points by player name you will need to go to:

<https://tennislink.usta.com/tournaments/rankings/rankinghome.aspx>. Select Southern, 2018, select appropriate division, select All List Types, click "Find It" and go to the last standing list in January.

12U-18U Beginner, Intermediate and Advanced Levels:

The Junior National Tennis Rating Program (Junior NTRP) in TennisLink is the official system for determining play levels for Junior Team Tennis programs for 12U, 14U and 18U Beginner, Intermediate and Advanced divisions. **Players with a JNTRP rating of 2.8 and above cannot play at the beginner level. Players with a JNTRP rating of 3.5 and above must play at the advanced level.**

*For 12U Advanced, 14U Advanced and 18U Advanced, we are offering two flights – Gold and Silver. Teams in the Silver flight must have players with ratings of 1.0-3.9. All players must fall in this range at the time of registration. Teams in the Gold flight can have players with ratings of 1.0-7.0. When registering your team, you should identify the flight that you would like to play by putting a 'G' or 'S' before the team name. Final placement will be at USTA Atlanta's discretion, including the option of combining Gold and Silver flights into one, if necessary. *Please note: TennisLink will NOT stop a player that is above a 3.9 from registering to a Silver team. It is the responsibility of the parent/captain to check eligibility before registering each player. Failure to do so will result in disqualification.

Find Your Rating/Self-Rate:

If you have played a minimum of four matches in the last 18 months in 12U-18U divisions of USTA-sanctioned and/or non-sanctioned junior tournaments and/or Junior Team Tennis leagues, then you more than likely have a dynamic rating. If you have not participated in any of these events in the last 18 months then you will need to self-rate.

[Click here](#) to find your rating! You must be logged into your USTA account in order to search for a junior rating level. If you don't have a rating, then you will need to self-rate.

- To get a rating, you will first need a USTA account. **[Click here to create an account!](#)**
- After you obtain a USTA account, you can then complete the self-rate process. In order to self-rate, you must be logged in to TennisLink. **The self-rate process is only available when you're registering for an event that requires a rating. You will go into TennisLink like you are registering for a team and follow the prompts to self-rate.**

You can self-rate in this simple way:

1. Select a rating on the self-rate form. On the self-rate form you will be asked to select your rating based on rating descriptions. You will have the opportunity to adjust the suggested rating level before saving it. **[Click here](#)** to review the Ratings Characteristics.
