

3.5 Low Eligibility List – Men
2018 League Year - Winter (November 2017 – February 2018)

The 3.5 Low league is a 3.5-rated league designed for players rated in the bottom half of the 3.5 (or lower) level. A 3.5-related player carries a dynamic rating that is 3.01 - 3.50.

Your name will be on the 3.5 Low Eligibility List if:

- You are a 3.0 rated player and calculated in at least 3 USTA Atlanta league matches on or after November 1, 2016.
- You are a 3.5-rated player and your dynamic rating (which you cannot see!) is between 3.01 – 3.35
- You calculated in at least 3 USTA adult league matches on or after November 1, 2016

Your name will NOT be on the 3.5 Low Eligibility List if:

- You are a 3.5-rated player and your dynamic rating is 3.36 or above.
- You are a 4.0-rated player.
- You are a 3.5-rated player but did NOT calculate in at least three USTA Atlanta adult league matches since November 1, 2016.
- You are a 3.0 rated player but did NOT calculate in at least 3 USTA Atlanta league matches since November 1, 2016. All 3.0 rated players are automatically eligible for 3.5 Low.

If you are a 3.5 rated player and your name is NOT on the 3.5 Low Eligibility List, then you may NOT register for a 3.5 Low team without first confirming eligibility by emailing kaminski@ustageorgia.com. The computer will not prevent you from registering since the computer only checks to see if you are a 3.5 player. However, the 3.5 Low teams are checked by USTA Atlanta weekly for eligibility and “illegal” players will be immediately removed from a 3.5 Low roster with matches disqualified.
