

4.5 Low Eligibility List – Men
2018 League Year - Summer (May 2017 – August 2017)

The 4.5 Low league is a 4.5-rated league designed for players rated in the bottom half of the 4.5 (or lower) level. A 4.5-related player carries a dynamic rating that is 4.01 - 4.50.

Your name will be on the 4.5 Low Eligibility List if:

- You are a 4.0 rated player and played in at least 3 USTA Atlanta league matches on or after November 1, 2016.
- You are a 4.5-rated player and your dynamic rating (which you cannot see!) is between 4.01 – 4.25.
- You played in at least 3 USTA adult league matches on or after November 1, 2016

Your name will NOT be on the 4.5 Low Eligibility List if:

- You are a 4.5-rated player and your dynamic rating is 4.26 or above.
- You are a 5.0-rated player.
- You are a 4.5-rated player but did NOT play in at least three USTA Atlanta adult league matches since November 1, 2016.
- You are a 4.0 rated player but did NOT play in at least 3 USTA Atlanta league matches since November 1, 2016. All 4.0 rated players are automatically eligible for 4.5 Low.

If you are a 4.5-rated player and your name is NOT on the 4.5 Low Eligibility List, then you may NOT register for a 4.5 Low team without first confirming eligibility by emailing bain@ustageorgia.com.

The computer will not prevent you from registering since the computer only checks to see if you are a 4.5 player. However, the 4.5 Low teams are checked by USTA Atlanta weekly for eligibility and “illegal” players will be immediately removed from a 4.5 Low roster with matches disqualified. **Refunds will not be given to ineligible players who register to a low level team.**
