

4.0 Low Eligibility List - Women
2017 League Year – Winter (November 2016 – February 2017)

The 4.0 Low league is a 4.0-rated league designed for players rated in the bottom half of the 4.0 (or lower) level. A 4.0-related player carries a dynamic rating that is 3.51 - 4.00.

Your name will be on the 4.0 Low Eligibility List if:

- You are a 3.5 rated player
- You are a 4.0-rated player and your dynamic rating (which you cannot see!) is between 3.51 – 3.80.
- You played in at least 3 USTA adult league matches on or after November 1, 2015.

Your name will NOT be on the 4.0 Low Eligibility List if:

- You are a 4.0-rated player and your dynamic rating is 3.81 or above.
- You are a 4.5-rated player.
- You are a 4.0-rated player but did NOT play in at least three USTA Atlanta adult league matches since November 1, 2015.

If you are a 4.0-rated player and your name is NOT on the 4.0 Low Eligibility List, then you may NOT register for a 4.0 Low team without first confirming eligibility by emailing edrosa@ustageorgia.com. The computer will not prevent you from registering since the computer only checks to see if you are a 4.0 player. However, the 4.0 Low teams are checked by USTA Atlanta weekly for eligibility and “illegal” players will be immediately removed from a 4.0 Low roster.
