### **USTA MS Delaware District Ranking Requirements**

- To qualify for a Delaware ranking, all players must be members in good standing of the USTA. Adults must have legal residence in, work year round in, or be a yearlong member of a club in Delaware. If there are any questions as to whether or not an individual meets eligibility requirements, the individual must contact the adult Ranking Chairperson to let them know of your eligibility status by October 31, 2018. It is the responsibility of each player to check the ranking lists and report any potential errors in a timely manner to the Ranking Chairperson.
- All designated state championship tournaments will be weighted double in the computer ranking system. For a men's and women's open singles ranking, a player must participate in at least 2 USTA MS Delaware District sanctioned tournaments that are open to all ages and win at least 2 matches.
- For a men's and women's open doubles ranking, a player must participate in at least 2 USTA MS Delaware District sanctioned tournaments that are open to all ages and win at least 2 matches.
- For a mixed doubles open ranking, players must play in at least 2 USTA MS Delaware District sanctioned tournaments, with the same partner, that are open to all ages and win at least two matches. To be ranking in the age categories, a player must play in at least 2 sanctioned tournaments for that age group (if held).
