is excited to announce*

“Let’s Play” Delcastle Open House

Saturday, Dec. 1, 2:30 – 7 p.m.

“Let’s Play” is designed to give entry level players or returning players, from the age of 9 through adult, the chance to play with other people of similar abilities, indoors, and in a structured format. The program utilizes transitional tennis balls  to facilitate fun and successful, competitive play.

Stop by the new Delcastle Indoor Tennis Center anytime that afternoon to hit transitional tennis balls on these brand new indoor courts at no cost to you. Anyone from the age of 9 years old through adults are welcome, but please be sure to wear all court shoes (not running shoes). Hear about the Delaware District USTA’s Let’s Play Program. No need to register for this day, just come out and have some fun.

In addition to our Saturday, December 1st Let’s Play Grand Opening, DD USTA will be offering these **free** opportunities in December to experience fun and successful competitive play for beginners or returning players to the game.

5-6:30 p.m. 6th-9 grade (orange ball)

2:30-4 p.m. Adults (green ball)

4-5:30 p.m. Adults (green ball)

5:30-7 p.m. Adults (green ball)

Starting on Saturday, January 5, 2019, DD USTA will charge a nominal fee with your registration to keep you playing in the winter following the Tuesday, Thursday, Friday and Saturday schedules above. Registration forms will be available during our December Let’s Play sessions.

The USTA Delaware District is dedicated to the growth of tennis. Our hope is that this will give new and returning players to the game a pathway to additional play. Seldom is indoor court time available or affordable, so we encourage you to take advantage of this great opportunity.

 Transition or Low Compression Balls allows players to become more successful sooner due to their slower speed and lower bounce
