

On The Line

On the line is a publication of the Kingman Tennis Club for people interested in tennis throughout Mohave County.

Quarterly Newsletter of the

Kingman Tennis Club, Inc.

Issue #18 January, 2016

Walk-In-Tennis – Open to the Public:

Monday & Wednesday afternoons at 5:00 and Saturday mornings at 9:00 (November 1 thru April 30 & 8:00 AM May 1 thru October 30) on the tennis courts of Centennial Park. With Walk-In-Tennis, you do not need to find a partner, reserve a tennis court, bring tennis balls, or be on time. Bring your racquet and wear proper (will not damage or leave marks on the courts surfaces) tennis shoes. We'll do the rest. The starter will place you in a group of players as close to your playing level as possible. Even if you arrive late, you will play. The cost is \$3.00 per person and \$2.00 per person for KTC members. The tennis balls and court fees are paid by KTC. Beginners are welcome and we will help you get started.

KTC, Inc. Quarterly Board of Directors Meeting:

January 16, 2016. Annual all members meeting. All Board of Directors positions are up for election and all KTC members are encouraged to attend. After Saturday tennis in the Community Center just north of the swimming facility at Centennial Park.

Second Annual Mohave County Adult Tennis Tournament:

We are shooting for mid May of 2016. At this point the dates are awaiting approval from the school.

KTC vs Riverview, Bullhead City

Having been invited by Verlin Mintz of the Riverview Tennis Club, a group of KTC players enjoyed a great time playing at the Riverview RV Park in Bullhead City. Carey Foster, Dave Workman, Will Moorefield, Brooke Fix, Jack Raymond, Les Petty, Ken Lindsey, Della Hiser (filling in for Partick Aschenbach who couldn't make it) Steve Johnson, Tom Grimes, Steve Pike, and Ken Gruhl all played well and had a good time.

Focus on Rules:

1. When is it OK and when is it not OK? Hit a ball that is on your opponent's side of the net.

2. The ball is on your side of the net and must be played. How can you win the point without hitting the ball over the net?

Welcome new members:

Roy Arquiza, Kevin Wogalter, Susan Smiley, and John My Do joined KTC during the fourth quarter of 2015.

Kingman Tennis Club Gear:

Logo caps, visors, T-shirts, & hoodies.

Ask Della Hiser or Brooke Fix. KTC does not mark these up. You get them for cost.

Ball Machine News

Our ball machine shed is now equipped with electricity. There is a light switch near the door on the left as you enter. Also, there is a wall plug for the ball machine battery charger. The charger is to be left on all the time when the ball machine is stored in the shed so be sure to plug it in after using it.

Tournament Committee needs volunteers

The tournament committee helps put on our annual Mohave County Adult Tennis Tournament and we need some member volunteers.

Computer committee: Brenda, Della, and Ian.
