

# College Tennis Information Night

Presented by

**Northern New Mexico Tennis Association**

Tennis players, parents, and coaches are invited to our first College Tennis Information Night!

How do I know if I should be playing in college?

What colleges offer scholarships?

How do I start the recruiting process?

How do I contact the coach at the school in which I am interested?

Where can I find out which colleges have men's and women's teams?

Bring your own questions to ask our panel.

What is a National Letter of Intent?

A panel of our own UNM coaches, and Albuquerque parents of players who are playing in college will be present to answer your questions.

**Date: Monday, May 4, 2015**

**Time: 6:00 - 7:30 p.m.**

**Location: Jerry Cline Tennis Facility**
