

## Tune Up Tennis League

We're going from Zoom to boom and it's time to dust off those racquets! This is a tune up league to help get you back into the swing of things. Results from this league will not be calculated in a player's year-end NTRP rating calculation. USTA membership is not required for this league, but all players must have an NTRP rating and be at least 18 years old by July 11, 2020. Due to court availability constraints, spots are limited to the first eighty (80) teams. Should we receive additional permits, more teams will be added.

Similar to Tri-One, each team match will consist of one doubles match. The doubles match will be determined by gender and NTRP level. The levels of play are 3.0, 3.5, 4.0, 4.5, and open in separate men's and women's divisions. For the open level, it's suggested that a player have a minimum rating of 4.5, but not required. There should be no more than a 0.5 rating point difference between partners.

While a full round robin is not guaranteed, a team will have at least five (5) team matches in the season. This means matches will be scheduled on most Saturdays and Sundays of every week. The minimum numbers of players is 2 and the maximum is 6. The league fee is \$13 per player. Balls will not be provided for this league and teams are expected to supply their own. Home and visiting teams will bring a can per match to use two (2) cans each time. Penn Championship extra duty felt balls (can with black cover) should be used.

Scoring format is best of 3 tiebreak sets with a 10-point tiebreaker played in lieu of 3rd set, and ad scoring.

**\*Note that some players were issued credits to their TennisLink account due to the cancellation of the 2020 Adult 18, 55 and 70 leagues. In order to redeem those credits, a player must be logged into their own TennisLink account and not have someone else register for them. Click on the link below to see if you have any credits and how to track your balance. Should you have any questions about your credit balance, contact the coordinator before registering for a team.**
