**OAHU DISTRICT TENNIS ASSOCIATION  
2016 ADULT CHAMPIONSHIP PLAYERS**

Move Up/Split Up applies to players who participated in 3 or more matches (excluding defaults) for a team that qualified for, or advanced to any Adult National Championships the previous year. Players must move up according to the Table, otherwise the players will be counted in the three-player limit (two-player limit for Adult 2.5 and 5.0+). **\*When championship players' NTRP ratings used in the previous year's Adult 55&Over league is the same as the "Move Up" level for the Adult 18 & Adult 40, those players must move up one level higher than shown in the Table, otherwise the players will be counted in the three-player limit (two-player limit for Adult 2.5 and 5.0+).**
