

Stuart Bridges Charity Tennis Tournament

*October 23, 2010 • 4:30-8:30 p.m.
Phoenix Tennis Center*

Ten years ago Stuart was a 5.0 rated tennis player with a classic serve and volley game. This former Division II college player was not only on top of the world as a highly ranked tennis player, but also enjoyed a very successful career as an accountant. All of that changed when his doctor diagnosed him with ALS, also known as Lou Gehrig's disease. For the last ten years Stuart has fought a courageous battle. This disease has not only been physically devastating but financially as well.

Please join us for this social tennis tournament and barbeque. All of the proceeds will go to Stuart so he may live out the rest of his life with dignity. The format will be A-B-C Men's and Women's doubles. The requested donation is \$25 dollars per participant. *There will also be a silent auction.* Contact Tom Sertich for silent auction donations, toms@Kirkdevco.com.

Participation is not a requirement to donate, non-tennis players welcome.

Donation only _____
