

South Carolina Junior Ranking Regulations

In order to be considered for a South Carolina ranking, a player must be a legal resident of SC and compete in the required number of tournaments. Any player who claims to meet these requirements under false pretenses shall not be ranked in the state of South Carolina for a period of three years from the date of discovery. That player will also not be allowed to enter a State Closed tournament in South Carolina for the same period.

To obtain a South Carolina ranking, a player must earn a minimum of 50 SC ranking points and meet the following requirements within the calendar year (January 1-December 31) in singles play for the age division being ranked:

1.) Four (4) South Carolina district tournaments of any level. This does not include Southern events held in South Carolina: Southern Winter Level 1 Championship, Clemson/Furman USTA Southern Level 1A Championship, or USTA Southern Level 1A Championships BG 12 & 14 in Hilton Head.

OR

2.) One (1) National Closed Championship (not including National Opens), One (1) South Carolina State Championship (listed below), and One (1) other SC tournament of any level.

OR

3.) Two (2) SC State Championships and One (1) other South Carolina district tournament of any level.

Current Standings: When current standings are calculated throughout the year, a player's best six singles and doubles results for a twelve-month, to date, period will be considered for calculation purposes. If a player decides to play up in a tournament, those results will appear in the match record of all age divisions in which that player is eligible to play in the current standings. These results will NOT be included in Year End Final Rankings EXCEPT in the age categories in which the eligibility requirements have been met.
