

MIDWEST  
WISCONSIN

## Wisconsin State Championships Advancement Form- Adults

All adult State league winners must submit a \$400 check made payable to the WTA at the end of the Wisconsin State Championships. This fee will be retained and un-cashed by the WTA until the Sectional Championships are completed. If the advancing team withdraws from the Sectional Championship and the second place team is not able to attend, the check will be cashed by the WTA to cover the \$400 fee charged by the Midwest. This policy is in place to offset the number of teams that have been withdrawing from the Sectional Championship at the last minute. **ALL** teams must come prepared to the State Championships with the intention of advancing to sectionals with a full roster.
