

2019 GML Season Rules

1) LEAGUE

All USTA Rules, 2019 USTA LEAGUE REGULATIONS, and 2019 USTA/Midwest Section League Regulations, shall apply with the exceptions listed below.

The Code of Conduct will apply for all matches conducted without officials. See The Code in *2019 Friend at Court*.

USTA League or Greater Milwaukee League (GML) Rules and Regulations that are not followed, may result in suspension from league play for a period of time to be determined.

All home court/facility locations must be within the current boundaries of the Greater Milwaukee League, including the boundaries of the former Southeast League (SEL).

2) ELIGIBILITY OF PLAYERS

Every captain and co-captain must be eligible league players and listed on the team roster prior to match play.

A player may participate in more than one NTRP level in the same division in the same season (i.e., - 3.0 and 3.5 for a 3.0 rated player). A player may play on more than one team within the District in the same season, (i.e., on an adult league in Milwaukee and an adult league in Madison.) **Players may only play up by one NTRP level of play. (i.e., 3.0 may play 3.0 and 3.5, but not 4.0)** A player, who qualifies for Championship level competition within an Age Group on two different NTRP levels, may play on both teams but there will be no accommodation in the championship schedule.

USTA membership for the 2018 USTA League must be valid through December 31, 2019.

Each team captain must sign a Team Waiver form on behalf of their team prior to the first match.

For each team member to progress, they must have competed in at least two local **league** season matches on the same team to be eligible for flight playoffs at Homestead High School or championship play through Sectional Championships. Only one default will count for advancing.

3) TENNISLINK - SCORING & TEAM REGISTRATION

TennisLink is the official system for player registration, reporting scores, and providing standings for the USTA League Tennis Program.

Any discrepancies found after the scores have been entered into the computer, and after checking with the opposing captain to confirm that an error has been made, email the discrepancy to your LLC; Tom Schaefer (women/mixed/combo/tri level) schaefergml@gmail.com, Greg Straub (men) greg-straub@msn.com, or Essie Herron (metro) essie.herron@scqglobal.net.

Scores not confirmed within the 48-hour time line will be considered confirmed.

4) COMPETITION FORMAT

Time and Day of Matches: Daytime flights will have a starting time between 9:00 a.m. but not later than 12 p.m. Evening flights will have a starting time between 6:00 p.m. but not later than 9:00 p.m.

BOTH team captains are responsible for contacting each other. There must be verbal contact between the captains one week prior to the start of each match.

The home team captain must call and confirm the time and location of the match. The visiting team captain should call three days prior to the match if the home captain has not called. Messages left on answering machines or with a family member will not be considered verbal contact. Home team captains, it is your responsibility to get your match times from your club coordinator and relay that to the visiting team captain.

Captains may email each other in lieu of verbally contacting the opposing captain in order to communicate the time of the match. The opposing captain must email back to confirm that the message has been received. A non-response from the initial email is considered a non-confirmed or informed match. If both captains have not communicated via email then verbal communication must be made between captains.

Matches where the visiting team was not informed of the change in time and the home team is not present when the visiting team arrives, teams will still play the match on the same day as scheduled when courts become available.

It is the responsibility of BOTH captains to communicate.

5) SCORING - ALL LEAGUES

All matches shall be the best of-three tiebreak sets with a match tiebreak in lieu of a third set.

The match tiebreak shall be scored as 1-set and 1-game for tiebreak purposes. (Coman format shall be used for both the Set tiebreak and the Match tiebreak.)

TOTAL TEAM DEFAULTS will follow the National Rule with the exception of: Amended following vote: If both teams have agreed to double default their match, the match will be deleted from the flight with no additional consequences. If captains have not agreed, the national rule will stand of deleting all pertaining matches from the season of the team that total team defaulted.

6) COURT SITE AND TENNIS BALLS

The home team will furnish the courts and balls. If home courts are not available then: a neutral site selected by the home team with no fees to the visiting team will occur, same court surfaces will be used for all matches within a team match, the visiting team may

supply their courts with no fees to them.

RAIN/INCLEMENT WEATHER –

BEFORE MATCH STARTS - Captains must contact each other to determine the match status when inclement weather may force a rescheduled match or play indoors. If captains have not communicated with each other prior to match time, both teams must show up at the play site to determine play or make-up matches.

Both team captains have to agree to move the match indoors.

If captains have agreed to move the match indoors, it is the responsibility of each captain to notify their own team members of the match status.

FEES - If rain/darkness prevents completion of a match, the home team is responsible for the court fees. The home team is not required to move the match to a neutral indoor site and has the option to reschedule the remainder of the match.

Clarification: The site is listed as the home team not the courts. A visiting team is not required to pay whether they play indoors or outdoors at the home team facility.

When no courts have started, but the lineup was exchanged: the line-up can be changed for the rescheduled match if necessary.

Notify Local League Coordinator of rescheduled time.

If one or more of the team courts have started the match and you are prevented from continuing the match due to bad weather, the match must be resumed with the same players for all the courts, even if some courts may not have started.

Any defaults must stand.

No matter when the match is rescheduled, players will begin the match with the score that existed at the time of the rain out/darkness. The match continues as if there was no interruption in play except for the 10 minute warm up. The previously existing set score, game score, and point-in-the-game score will stand.

Rescheduled matches must be played within two weeks of the rained out match, or prior to the end of the league season, whichever comes first.

The local tennis clubs have asked that you do not reserve courts prior to match day in anticipation of rain. Call the day of the match only. If you reserve courts indoors and it does not rain, you are still responsible for the cost of the courts. (Many clubs require a credit card for the reservation.)

RETIREMENTS; a retirement occurs when an individual match has started (points have been played) and a player/team is unable to continue due to injury, loss of condition, or an emergency.

7) STANDINGS

MEN'S LEAGUES: The team with the most **INDIVIDUAL match points** accumulated during the season will be the winner. Each singles and doubles match counts as 1 point; a total of 3 points for Adult 18 & Over 2.5 and 5.0+ and Adult 55 & Over and Adult 65 & Over and 5 points for the Adult 18 & Over and Adult 40 & Over league each time team plays.

Mini Round Robin – If your flight plays a mini round robin at the end of the season, the teams that are in 5th, 6th, 7th, or 8th place are not eligible to place first in their flight.

WOMEN'S LEAGUES: The team with the most TEAM match points (**one point per team match win**) accumulated during the season will be the winner. (Effective March 2019 per the Captains' meeting.)

8) TIES

No ties will stand at the end of the season.

First Place Tie Breaker Procedure: Winner of the better head-to-head individual match points during league play, (i.e. Match 1: Team A wins 4-1 over Team B; in Match 2: Team B wins 3-2 over Team A. Total points for Team A = 6; Total points for Team B = 4. Team A is the Division winner.) If that is a tie then: The fewest number of sets lost during the season; then: The fewest number of games lost during the season.

9) FLIGHT PLAYOFFS & CHAMPIONSHIPS

The first place team in every flight will play a round robin competition to determine the overall winner. A second place team with the highest win/loss percentage may be invited to fill out the round robin playoffs at Homestead High School.

10) EQUIPMENT - RACQUETS AND TENNIS BALLS

The Head TI. S7 tennis racquet and the Gamma Big Bubba (137) and Big Bubba Pro (137) are illegal racquets according to the Rules of Tennis and therefore not approved for league play.

If a player plays a match to completion with the Head Titanium racquet or the Gamma Big Bubba and no protest is lodged, the match results stand and may not be protested. If a player plays with the racquet after being asked not to do so, the match may be protested through the normal grievance procedures of the USTA Leagues.

Over sized rally-type balls may not be used.

11) PHONES & BEEPERS
