

USTA JUNIOR TEAM TENNIS

Where Champions are Made!

Wisconsin High School Tennis Players Gain Skills and Fun

USTA Junior Team Tennis brings kids together in teams to play singles, doubles and mixed doubles against other teams. It promotes social skills and important values by fostering a spirit of cooperation and unity, as well as individual self-growth. It's a fun environment for kids in which they learn that succeeding is really more about how they play the game, win or lose.
