MADISON

YOUTH TEAM TENNIS

This is not a school sponsored activity and the Madison Metropolitan School District does not approve, support, or endorse this program/activity.

Tennis provides numerous benefits beyond good health and activity. Kids learn **teamwork**, **communication**, **balance**, **agility**, **hand-eye coordination**, **problem-solving** and **self-reliance**, all while having fun and making friends. Midwest Youth Team Tennis uses smaller courts, shorter racquets and lower bouncing balls, so youth players will achieve greater physical activity and feel successful at tennis right from the start.
