

USTA/SOUTHEAST MICHIGAN SPECIAL WEEKEND SCHEDULED MATCHES

Ten weeks of play are required to complete most of our local league matches. Unfortunately, some days of play fall short of the necessary 10 weeks. This is usually due to the day of the week for the 4th of July holiday. Some of our facilities also have limited court availability in early May. We are also unable to move our playoffs to later dates in the summer.

To complete our local league play requirements, we sometimes must resort to the use of Saturday or Sunday for local league matches.

This year our 40 & Over Leagues have the biggest challenge. The 4th of July falls on a Thursday this year and has impacted some of our leagues. We will not schedule any Thursday or Friday leagues.

RESCHEDULING

If you have matches on the weekend that you wish to reschedule, you may do so by following our rescheduling procedures. These are covered in our Local League Rules.

1. Both captains must agree to the new date and time.
2. Both need to submit the new information (via email) to the SEM Office **before the originally scheduled match date.**
3. **The new date must be no later than the last match scheduled in your flight.**

Also keep in mind that you could reschedule to play the match earlier than its original date. Our League matches begin the week of May 14th, so if you can find courts prior to Memorial Day, you may choose to reschedule into those dates.
