That USTA NorCal questionnaire thing is so sick! It's pretty cool...getting to know the people haha

- **What are your hobbies?**

My hobbies are playing tennis, video games, Youtube, and hanging out with my friends. I use Twitter like it's my job.

- **What are you afraid of the most?**

I'm deathly afraid of Jigsaw from the Saw series. I hate puppets with a fiery passion and the swirls on his cheeks just get me. Even the commercial scares the heck out of me. I saw 15 minutes of the first one and like 5 minutes of the third one. I couldn't handle it.

- **What is one thing most people don't know about you?**

I'm an outdoors kind of person and I love to hike. I went last month in Almaden Quicksilver County Park in New Almaden, CA.

- **Do you know all of your Facebook friends? Have you seen them all in reality?**

Haha no, but who does? I'm pretty sure I've seen all of them.

- **What are some of your pet peeves?**

People who don't show up on time. Girls who take like 30 selfies (pictures of them) and put them all on Facebook. People who don't take off their shoes when they enter the house.

- **What vegetables do you not like to eat the most?**

Eggplants and celery are probably the grossest things I have ever eaten.

- **What do you miss most about your childhood?**

What I miss most about my childhood is being able to tank at school and not having to care much about my grades.

- **Favorite class in school? Least favorite class? Favorite subject?**

My favorite class in school is AP Statistics and my least favorite is definitely Physics. My favorite subject is the Teacher's Assistant (TA) period...I just grade papers, and watch my teacher mock her students haha

- **What are some things you do on a rainy day when you're at home?**

I try to catch as much shut eye as possible and play some sort of game on the PS3...Black Ops or Madden 12.

- **Favorite color? Favorite food? Favorite movie?**

Color is black. Food is sushi. Movies are The Dark Knight, Borat, The Hangover, and Step Brothers.

- **What is something you keep telling yourself you're going to do but keep putting off?**

I always tell myself that I'm going to start homework early and try to go to bed early. It ends up never happening. I always have homework. And I just start it way later. Ideally, I finish all my homework at like 12:30AM.

- **If you could go on an adventure, what kind would it be?**

If I could go on an adventure, I would want to go deep sea diving in the Great Barrier Reef in Australia.

- **The strangest thing you have ever eaten?**

The strangest thing I've ever eaten was probably alligator at La Fondue in Saratoga, CA. It came on a platter and I got to choose random meats...I chose alligator tail, Kangaroo, and buffalo. Haha it didn't taste too great.

- **How far do you sleep from your cell phone?**

I normally text till I fall asleep, so my phone usually ends up in my hands by the time I wake up. Always. I've mastered texting on an iPhone keyboard without looking (super handy during school).

- **RAFIKI is the name of the wise monkey from what movie?**

I have no clue haha. Planet of the Apes?
