

## **ADULT 40 & OVER SECTIONAL CHAMPIONSHIPS**

### **TOURNAMENT SITE INFORMATION**

Please be aware that there is construction going on at Huntington Park. I am not sure what stage it will be in when we are there for our event. The city is building a new clubhouse facility and bathrooms, which I am sure we will enjoy for years to come. In the meantime, I apologize for any construction disruption of either equipment or noise. They will not be working Saturday or Sunday, but must work Friday and Monday due to the high cost of renting construction equipment. Please understand that this is unavoidable.

All matches are at the main tournament site, Huntington Park, unless otherwise stated. At each site there will be a trainer, referee and tournament desk. Please turn your line-up in at the tournament desk where you are scheduled to play, a minimum of 30 minutes prior to your scheduled match time in order to avoid paying a \$50.00 fine.

While playing at Hampton Roads Academy, if you need the Tournament Director for any reason, speak to the person working the tournament desk. If your question can't be answered, she will contact the TD.

There will not be any merchandise for sale, a food vendor or distribution of player gifts at Hampton Roads Academy. Everything will be at the main site. Please be prepared, and advise your team accordingly. Further, there will not be any chairs on the courts. Please have your players bring canvas fold up chairs for their use and bring plenty of water.
