

The St. Louis District Tennis Association is proud to host the 78th National Public Parks Championships at Dwight Davis Tennis Center in Forest Park. Dwight Davis established the National Public Parks Tennis Association in 1923 to encourage the non-affluent to participate in tennis programs within their communities. The association's membership consists of Park and Recreation agencies, community organizations, and local clubs who use public facilities.

The National Public Parks Championships is held in a different city each year. This is the 8th time this tournament will be held in St. Louis since its inception, in 1923. The tournament will serve as an official activity for the centennial celebration of the 1904 St. Louis World's Fair, in historic Forest Park. All tennis enthusiasts are welcome to play! No qualifying necessary!
