>> Player Registration [Cancel](#)

Tennis Link provides options to sign up for a Team Tennis Program determined by your local area. One requires a team number provided by a Coach/Captain or Program Coordinator. The other allows a player to register for a program at a given level - and then be assigned to a team by the program coordinator.

Registration if you have a team number:

- (1) Enter the team number.
- (2) Enter USTA Membership # (Jr. Programs) or Team Tennis ID # or click "don't have a #?" (Adult programs)
- (3) Click "Submit".
- (4) Players registering for 2009 Jr. Programs will be prompted to select a shirt size.
- (5) Click "Submit".

Registration for a Program if you don't have a team number:

The maximum number of players that can be registered at one time is 15.

*Shirt Size is required if size selection is available. [View Size Chart](#)

If the captain chooses the Register Player link, then they are brought to the player registration screen.

System auto populates the team number to make things easier. Since coach/captain is registering the player, the uniform size must be picked at this time and paid for.

Note: At anytime, the captain or the player can go to player registration from the Team Tennis Home Page.

Captains can also link directly to their teams by choosing the My Teams link under My Options
