

Team Tennis Score Entry Process

- Schedules created in the Program by the Coordinator create the Match numbers used to record scores.
- Information setup in each flight screen creates the structure and parameters for entering scores.
- Program Coordinators, Captains/Coaches or co-captains need to log in to the Team Tennis program for the System to recognize them as eligible to record scores for Team Matches.
- Captains/Coaches are eligible to record scores only for those teams that they are listed as the Coach or Captain or co-captain.
- Program Coordinators can enter scores for any matches in their programs.
- Scores can be entered for completed matches only.
- The first captain going in to enter scores will record the match results.
- The "other" captain will be able to review the results, and either "confirm" or "dispute" but not edit the scores entered.
- Only coordinators can edit or reset (delete) scorecards that have been entered.
- Standings are updated immediately when the match is first entered

Captains and Coordinators must login to Team Tennis to record Match Scores.

Go to the Team Tennis Home Page and click on Click Here to login
