2011 KNOW the RULES

Adults, Seniors and Super Seniors

1. Players receive points in the main draw (if they win at least one match), and consolations (if consolation is played).
2. A player who plays a tournament but does not win any matches still receives one point for that tournament.
3. In consolation matches, the player or team that advances by default will receive credit for a win, as long as that player or team does not default their next match.
4. In round robin matches, a player / team that plays a match(es), but then defaults, that defaulted match will count as a loss for the defaulting player / team and as a win for the player / team that advances. It is recorded with no score.

Age division rules:

5. If only two players or two teams enter an age division and that division is played, the two players or teams will receive 1st and 2nd points for playing. [Counted in both 12 Month Rolling Rankings and in Year to Date Rankings.] This structure does not automatically trickle down to 3 or more players (3rd &/or 4th places, etc.).
6. A player or team whose age division does not make, but plays the next younger age division that makes is entitled to have their points counted in the original entered age division. If no younger age division makes, but plays in the Open division, they are entitled to have their points counted in the original entered age division [in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).
7. If only one player or team enters an age division, and plays in the next younger age division that makes (or the Open division if no younger age divisions make), then that player or team will receive 1st place points for that originally entered age division, no matter how they placed in the younger played division, even if they obtained no wins [counted in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).
8. If only two players or teams enter an age division and they are merged with a younger age division (or the Open division if no younger age divisions make) and plays in that division, then 1st and 2nd place points will be granted in the originally entered division (no matter how they placed in the younger played division). If those two players or teams placed equally in that played division, then 1st and 2nd place points will be averaged so that each player or team will receive equal points in the originally entered division [in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com). This structure will include all who enter one age and are merged (and play) in a younger age division.
9. For these points in the originally entered age division, the player or team must actually play a younger age (or Open) division to receive these points. Playing in a levels division, does not count as younger age division play.
10. One Category I National Tournament (i.e. Clay, Hard, Grass, and Indoor tournaments) may be counted in a player's USTA Texas section record. They are counted as a 600 Point Tournament category. Also, one out of Section Category II National Tournament may be counted in a player's USTA Texas section record. They are counted as a 400 Point Tournament category. Only one Cat. I and one Cat. II may be counted. (Note: The "in Section" Cat. II tournaments - Westwood & Lakeway - do not count as one of these Cat. II Tournaments). [Credited in both 12 Month Rolling Rankings and in Year to Date Rankings]. (Notification to the Texas section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).

Levels / Open division rules:

11. If only two players or teams enter any levels or open division, and that division is played, the two players or teams will receive 1st and 2nd place points for playing. No other credit or points will be available for players that are merged into another levels division. That is, credit will be given only in the played division, not in a different originally entered levels or open division.

Playing additional tournaments cannot hurt your record.

HEADQUARTERS: Capital Area Tennis Association (will be played at multiple sites), Austin, TX.

2011 RULES AND REQUIREMENTS

1. Top 8 ranked players from each division will be selected based on the **2011 Selection List** rankings. This list will include the prior 12 months calculated to include the adult sanctioned tournaments played Sept. 16, 2010 through Sept. 15, 2011; excluding the **Simply the BEST - 2010 Texas Adult Masters Championships tournament**; but will include the 2011 Texas Adult Sectionals scheduled for Sept. 9 - 11, 2011.
2. Players must enter online and must enter prior to the entry deadline to be eligible for this tournament. All players may enter, but only the top 8 eligible and selected applicants will be charged the entry fee.
3. If there is a tie in points, it will be broken first by head-to-head play, second, by the best win/loss ratio of matches actually played, third, by the highest point win in a single tournament. The Tournament Committee shall then use a random drawing among the remaining tied players to determine their order of entry.
4. Doubles are ranked individually and the top 8 players (who enter) can pick and choose a partner. That chosen partner must have played in at least 1 Texas Section sanctioned tournament within the 12 month ranking year and played the level in which they are entering/have entered. However, they are not required to have played with that partner in a Texas Section sanctioned tournament. (Self Rated rules will apply to both partners.)
5. Self Rated players will not be eligible to play and must have a Year End Rating to be eligible for this tournament. **THE ONLY EXCEPTION IS OUR 2.5 DIVISION**, who had a self-rate to begin playing. The Tournament Committee has the right to disqualify any that are playing outside that level.
6. The Open divisions will no longer have prize money.
7. Each division will be a round robin (pool/play). That is, each division will be divided by ranking position into two groups of four, to play a round robin. Winners of each pool, within each division, then compete for the Championship.
8. All matches, excluding FINALS, will consist of best 2 out of 3 sets with a match tie-break to determine the 3rd set. FINALS ONLY WILL BE PLAYED AS BEST OF 3 TIE-BREAK SETS.

**Get ready for a GREAT TIME and GREAT TENNIS

This may be the best thing for Texas Tournaments, with today's fast-paced, no-time lifestyle. Those that have busy families, no time to take off from work, and want to save hotel costs, can enter a short, quick tournament.

The short of it:

- **Half or one day** instead of Friday through Sunday – great for busy players
- **Shortened format** – several short matches in a short time period - 1 set per match
- **Non-Elimination** – everyone gets lots of play (3 or 4 matches)
- **Predictable time-frame** with short matches - and - easier to finish during rain or heat
- **Low fees** – normally no t-shirt, gift, or trophies for players will make for lower entry fees
- **Proven results** – very popular in other Sections

Any extra players [those at the bottom of the list by Rankings] can be put on an alternate list.

Yes, there will be a limit to the number of players in the tournament,
but with more players, there can be multiple draws.
