Chairperson Name	Mark Brown
Staff Liason	Veronica Nicholls
List action items for recommendations to Executive Committee	JTT Committee created a subcommittee to help address best practices for default issues amongst local leagues. Committee will review if any players with suspension points are currently playing JTT to insure consistancy with national and sectional rules stating that they were to be removed from all USTA Santioned events. JTT will begin hosting 12U beginner in green dot ball division at sectionals for those hosting divisions locally. The section will review divisions hosted at sectionals based on participation locally moving forward. A motion for the sectional bid process has been replaced with a recruiting process to insure that the best site is chosen to benifit all involved in JTT.
