<b>Committee Name</b>	Strategic Planning
<b>Chairperson Name</b>	Carol Welder
<b>Staff Liason</b>	Van Barry
<b>List action items for recommendations to Executive Committee</b>	<p>Discussed committee liaison assignments and had reports from meetings attended. Brian Notis reported on the Tournament Administration Task Force meeting. The SP Committee has a goal of improving the player experience and will look forward to getting an Action Plan from the Task Force which will include Best Practices and hopefully a way to share survey results with other TD's. In order to improve the quality of events and help with consistency, a staff position may be needed in the future. Open Discussion included a discussion about webinar trainings for tournament directors and whether there should be an objective/independent committee made up of volunteers and staff from several committees to review the bid process. This would require a lot of time and knowledge about the tournament survey results and overall performance.</p>
